# **Our School**

Weald of Kent Grammar School is a selective girls academy (with a mixed Sixth Form) for approximately 2000 students aged between 11 and 18. The school operates across two campuses located at Tonbridge and Sevenoaks in West Kent. The school is over-subscribed each year for the 270 places in Year 7. Students join the school from a range of areas around West Kent, East Sussex and South East London from a variety of different backgrounds.

Our students achieve at the highest level academically. In 2023, 61% of our GCSE entries were awarded 9/7grades alongside a Progress 8 score of 0.83. At A level, 65% of our entries were awarded A\*-B grades and the vast majority of our students move from Weald into higher education. Our students are highly able, motivated and a delight to teach. Students enjoy positive and co-operative relationships with staff and it is very rare if an external visitor to the school does not comment on the high calibre of the students.

We are particularly proud of the work we have done to create a strong pastoral system and students enjoy a comprehensive programme of PSHE throughout their time at school. This is taught by form tutors and ensures that strong relationships can be built and maintained. Form tutors tend to remain with their group from year 7-11 or in 12 and 13 and this further fosters this relationship. We encourage our students to be active and responsible citizens through a variety of charitable and community activities. The school operates a very successful House system, led by student House Leaders, which encourages integration between the year groups and provides leadership opportunities for students. Similarly, a strong Head Girl and Senior Prefect team and School Council ensure that the student body has a voice within the school and that younger students are supported. Currently we are launching a programme, involving our KS5 students, to help local primary schools with a range of outreach activities.

Outside of the classroom we are fortunate in having staff who provide a wide range of extra-curricular opportunities for students, which is central to our ethos. Sport plays an important part in the life of the school and we are successful at national and regional level in a number of sports including. Similarly, we have many opportunities for students to showcase and develop their talents in Music, Dance, Drama and the Arts, including an annual school variety performance and a range of different concerts. We enjoy a successful Duke of Edinburgh scheme, involving over 400 students. Our commitment to this ethos is reflected in our curriculum provision where a number of enrichment days are set aside, the timetable suspended, and students take part in a number of activities and events that allow them to develop and prepare for life beyond the school.

#### The Sixth Form

We are proud of our thriving and ever growing Sixth Form that has an excellent academic reputation and provides first class guidance and support so that students enjoy a positive and successful post-16 experience and leave us well prepared for life beyond school.

With over 500 students in the Sixth Form, we offer an extensive choice of A Levels taught in excellent facilities by subject experts. Each year we warmly welcome a large number of external applicants who meet our entry requirements.

In addition to A Levels, students have the opportunity to take the Extended Project Qualification (EPQ) which develops skills of analysis and independent research, vital for success in undergraduate study. Students follow a wellbeing programme, including PSHCE and Physical Education provisions.

Weald Sixth Formers continue their education at some of the most prestigious universities in Britain and abroad. To support our students in achieving this, we run an extensive Higher Education programme that includes Oxbridge preparation as well as clear guidance on 'informed choices', Russell Group Universities and the UCAS process as well information about other pathways they may suit some of our students

However, our Sixth Form is about so much more than excellence in academia and we offer a wealth of leadership and extra-curricular opportunities. The prefect team are an integral and highly valued part of the Sixth Form. Lead by our two Head Girls they are a dynamic team who coordinate a large amount of activities giving them brilliant leadership opportunities.

#### Curriculum

We run a three-year KS3, although students begin their GCSE courses in Science in Year 9 allowing them all to do 3 separate sciences at GCSE. Our KS3 students, study a modern foreign language alongside the other national curriculum subjects, with the opportunity to take an additional language in Year 9. At KS4, students' study for ten GCSEs, which includes a Language option and a Humanities option. In the sixth form most students' study 3 A Levels, with the most able being given the opportunity to study four. This is supplemented with the range of opportunities detailed above.

## The Team

Reporting to: Head of Subject

The Music Department has developed a strong reputation for excellent teaching and learning which has resulted in excellent results, and a significant number of students studying Music who subsequently go on to study music at leading universities. The Music Department has developed a curriculum which is innovative and focused on developing students' lifelong love of learning, as well as achieving outstanding examination success.

The Music team is constantly seeking ways to improve and engages with educational research to develop the curriculum to equip our students with the substantive, disciplinary and procedural knowledge and opportunities for success to allow them to take the next step with confidence.

The Music Department operates across both Tonbridge and Sevenoaks campuses. Much development has gone into enhancing the facilities, with keyboards, computers and recording facilities available at both campuses and excellent access to online resources.

We have an outstanding extra-curricular provision which has resulted in recent performances at Cadogan Hall, the Chapel of St. Augustine and the E.M. Forster Theatre. The department regularly visits concert halls in London, particularly the Royal Festival Hall, as well as organizing trips to musicals throughout the academic year. We also have a thriving band program which has resulted in success at Battle of the Bands competitions.

Teamwork is vital to the success of a department over two campuses. It is therefore essential for the successful candidate to be able to galvanize the team, and use the benefits and challenges presented by this to drive teaching and learning forward to meet the needs of our students thus ensuring consistency in standards.

Students are taught one-hour long lessons per week at Key Stage 3. Students follow the OCR GCSE and A-Level specification throughout. In Years 10 and 11, students have a total of two-hour long lessons per fortnight. At A Level our students receive ten-hour long lessons a fortnight split between two teachers.
