**For Appointment of:
Key Stage One Teacher**

CEO's Welcome

Stephen Carey
CEO

Thank you for your interest in the role at Saint George's C of E All Through School. I hope that the information within gives you an insight into our school, Aletheia Academies Trust and the unique opportunity this position offers.

Aletheia Academies Trust's vision is rooted in a determination to **improve the life chances of local children**. Aletheia has grown with devotion to a principle of geographical proximity; knowing, caring for, and understanding the areas we operate in are important to us. Since our inception, the Trust has adopted an operational model based upon the notion of a family of schools; understanding that like any family member, each school, and each community that it serves, is unique. Schools are encouraged to celebrate and explore this dimension. The role of the Trust is to act in a parental capacity; to ensure that each school is well-supported and individual strengths are shared to improve the outcomes of all; to provide wider experiences to Trust pupils beyond the capabilities of any individual school; to develop and share staff expertise; to provide expert leadership and governance.

Saint George's was one of the founding schools within Aletheia Academies Trust and continues to play a significant part in the development of the organisation. As the only current open provision with a secondary phase, the school has a pivotal role in the co-construction of an all-age learning journey for pupils. The school has excellent staff retention rates and is deservedly proud of the palpable sense of community that stakeholders and visitors encounter and regularly comment upon. The school provides an exemplary model of the highly ethical and inclusive Trust vision and values.

It is these values and principles that make me feel so proud and privileged to serve as the CEO of the Aletheia Academies Trust.

Our Executive Headteacher, Simon Murphy and I look forward to receiving your application.

Saint George's Church of England All Through School

We consider our school to be highly inclusive, welcoming students of all backgrounds and beliefs, unified by our commitment to their well-being and sense of achievement.

Saint George's has developed a reputation as a high achieving school providing excellent outcomes for all students academically and in terms of their personal growth. We have exceptionally high expectations of how our students behave, speak, and present themselves. This is underpinned by our Christian values, our worship and school ethos. Everyone who wishes to learn is welcome.

Our motto **'All Different, All Equal, All Flourishing'** emphasises our Christian belief that the God-given talents of all students should be encouraged and developed, recognising, and valuing their unique worth.

We have had a long-held belief in the potential of an all-through school to further enhance the educational provision on our site. We are delighted that this vision has now become a reality for Saint George's. A shared philosophy ensures that there is greater consistency around expectations, ethos and pedagogy which eliminates any unsettling transition between the primary and secondary phases. We facilitate teachers working together in the primary and secondary phases which raises aspirations still further and ensures that children are not able to fall through the gaps. Our primary pupils benefit from having specialist subject staff available and economies of scale allow greater spending on teaching and learning and the sharing of specialist and enhanced facilities for all pupils.

At Saint George's, we strive for all students to have learnt new skills, to have developed their talents and with this, a love of learning; making them confident, articulate, sensitive and caring citizens for the future.

"Visitors most often comment upon the profound sense of community within the school."
