Candidate Briefing Pack Head of Computing

Welcome to The Howard Academy Trust

As a Trust, we currently comprise of 7 schools, across Kent and Medway. We currently have 3 secondary schools and 4 primary schools. We have future growth plans as a Multi Academy Trust with major projects taking place across the organisation.

Our overarching aim and vision for our member schools is “working together to create a community of successful learners”. In doing this, we will deliver an outstanding education for the children and young people who attend our academies. We endeavour to ensure that all our pupils have access to the highest standards of teaching, resources and opportunities. The Trust’s role is to oversee the leadership and vision of member schools and to develop effective and supportive partnerships between them. We have a firm belief within the Trust that every child should have access to at least a good education.

We are proud that every academy inspected since joining our Trust has remained as a Good school. Both Temple Mill Primary School and Waterfront UTC joined the Trust as sponsored academies and have moved from Special Measures to a Good school on their first inspection. Our schools serve their own community, and each has a unique identity. Being part of this Multi Academy Trust has already provided member schools with practical benefits. We want communities to be proud of their local THAT school and we are determined to make it the first choice for all families.

As Chief Executive, I am enormously proud of our schools and of the leaders, governors, teachers and support staff who every day ensure our pupils enjoy and make good progress in their learning.

Welcome to The Howard School

You will show the drive, tenacity and ability to realise this ambition and demonstrate a commitment to your own education and yours and others' professional development.

Our local and national reputation as a school where results challenge the stereotypical view of underachievement in young men continues to grow, as does the perception that we hold to traditional values in standards of behaviour and uniform. We are an innovative and creative school, responding to the ever-changing needs of our students and the demands from higher education and employers. To further this, a number of exciting changes are planned for the near future to support our drive towards excellence.

I am determined to ensure The Howard is the best school in Medway and beyond in which to teach, work and develop. Our success has been built on the commitment, professionalism and aspirations of our staff. It is a place where people want to work as there are opportunities for progression. I hope my resolve to take the school to the next level is evident and, while I recognise that this is by no means easy, that this is the very least we should be doing for our community. The successful candidate will be someone who is genuinely up for the challenge. In return, we can promise an investment in you and your future, offering a competitive remuneration package, providing first class professional development and career opportunities. I look forward to receiving your application.
