## Part Time Teacher of Economics

We are seeking to appoint an imaginative, enthusiastic and committed teacher of A Level Economics to join this outstanding selective school for boys. We have a group of A Level Economists in both Y12 and Y13 with 9 hours of contact teaching time required across the two groups. We can be flexible in timetabling the subject to suit the needs of the successful candidate. The subject is popular with our students and we would also be open to negotiation with the right candidate for a suitable recruitment and retention payment in addition to your usual salary.

The vacancy is available from September 2024. The school is committed to safer recruitment practice and pre-employment checks will be undertaken before any appointment is confirmed. This post is subject to enhanced DBS clearance.
