

DARTFORD GRAMMAR SCHOOL

A LEARNING COMMUNITY DEVELOPING INTERNATIONAL CITIZENS

Assistant Headteacher

For September 2024 or January 2025
(L6-10 + LFA)

A vacancy exists from September 2024 (or January 2025) for an Assistant Headteacher to join the school's Leadership Group at this high performing selective school.

Dartford Grammar School is a leading IB World School, offering a broad and challenging academic and co-curriculum and designed 'outstandingly successful' in successive national and international inspections.

The governors are looking for a dynamic team-player to contribute to the school's Leadership Group, and impact on both the school's strategic direction and its daily operation.

Assistant Headteacher posts hold responsibility for specific pastoral, academic and operational aspects of school life. While it is anticipated that this role will take either operational or co-curricular responsibility, this is not determined: responsibilities will be aligned to sit alongside those of the two Deputy Headteachers and other Assistant Heads, and will be tailored to the skill-set of the successful candidate and the needs of the school.

- an excellent classroom practitioner who is passionate about their subject
- well-organised, open-minded, positive and proactive
- excited about contributing to the life of a busy school, and working with highly motivated students.
- keen to share our commitment to pastoral care and well-being

We can offer you:

- the opportunity to inspire highly able and well-motivated students to fulfil their potential
- a dynamic and supportive working environment, with a high degree of autonomy in your leadership role
- opportunities for CPD and professional learning as a part of your career development
