Recruiting Teachers & Support Staff for Kent Schools

# The Head Works

**Blow the cobwebs away, take a leaf from the Brogdale Fruit Collection and enhance your personal long-term sustainability for your future wellbeing.**

Managing a school can leave you feeling cut off from your roots, so get your feet back on the ground at Kent's National Centre for Fruit and experience how you can reap the rewards of learning in the Garden of England.

Headteachers and their Senior Management teams are invited to attend our free Head Works event at Brogdale Farm. Set in beautiful orchards, this popular tourist attraction boasts more varieties of fruit than any other collection in the world. After lunch you will be treated to a guided tour of the orchards, including a cherry picking and tasting session.

The core of the programme remains the health and well being of senior staff in our schools. The morning workshops are a mix of technical training, wellbeing, recruiting the right staff and practical strategies for reducing your stress levels.

**Brogdale Farm, 29th June 2012 – 9am-3pm**

Brogdale Road, Faversham, Kent ME13 8XZ

**Free of Charge  
for the 5th Year**
