

Frittenden CE Primary School

Letter from the Head Boy and Head Girl

Dear Applicant,

Thank you for viewing our School's microsite and considering the role as Headteacher. We'd like to explain to you about some of the unique features of Frittenden CE Primary.

Firstly, the school is set in the peaceful area of Frittenden; being a CE school means that we are very closely related to the church, which is a short walk away. Additionally we have very friendly neighbours, some of whom allow us to use their garden for our Sports Day.

The school offers many amazing opportunities for the children; sports, maths, drama and much more. Our building is in two parts, the original Victorian part and a new 21st century extension which has given us a fantastic hall, Computer suite and Library. It also has a lift to allow any disabled children or visitors to access them.

We are very proud of our small school and we would like a Headteacher who stretches the children to their limits and makes sure teachers are getting the best out of us. We want them to be kind, funny and firm all at the same time.

Thank you for taking the time to read our letter and considering our school. We do hope you come and see what a great school we are.

Yours sincerely,

Sam Dickinson & Vicky Reece (Head Boy and Head Girl)
