

July 2015

Dear Applicant,

We will be very pleased to consider you for the position of Head teacher at Churchill School.

This is an exciting time for us as we continue to progress towards becoming an outstanding school. Our last Ofsted inspection raised us to a GOOD school and we are continuing to drive forward from this position.

The school is set within the famous town of Westerham on its own 20 acre site. There are 303 pupils due to attend from September 2015 and the school has been growing over the recent years. The children are keen to learn and enjoy their time at school.

We have developed a highly skilled and dedicated staff team along with a supportive governor structure and are seeking a Team leader with the knowledge and skills to take the school further.

You could be the right person for us and we look forward to meeting you and receiving your application.

Yours sincerely

Jerry Wilson

Chair of Governors
