

# The Churchill School

“Together, we can all achieve more.”

Dear Candidate,

This is an exciting opportunity to become the next Head teacher of The Churchill School. It is a large, well-resourced school, with highly motivated staff, enthusiastic pupils and a supportive governing body. We have an Ofsted rating of good with outstanding features, which we are proud of, but never ones to rest on our laurels we still strive for better.

If you have the passion, drive, inspiration and ability to help develop and lead the school even further then you could be the person we are looking for and we would be interested in hearing from you.

An appointment to visit the school and for an informal chat can be arranged by contacting our office.

We look forward to hearing from you.

Peter Mahoney

Chair of Governors
