

North Borough JUNIOR SCHOOL

Be the very best we can be

24th December 2016

Dear Applicant,

Thank you for showing an interest in the post advertised. The Governors and I would like to thank you for applying for the Headship.

North Borough Junior School is a vibrant and exciting place to work. Our last Ofsted Inspection adjudged us to be a "Good" school, and we have progressed further along the journey to becoming "Outstanding" within the near future. The new Headteacher, in partnership with the Staff, Governors, pupils and other stakeholders, will lead us to attain this target.

The Governing Body is seeking to appoint a dynamic Headteacher to build on the progress and the high standards already reached; our Raise Online Standards are at an all-time high thanks to everybody working together as one team.

The Governing Body has a clear vision with our dedicated staff and the children always at the centre.

The school is expanding and currently has a PAN of 90. The School is located to the North of Maidstone with easy links to the M20 motorway. The School is fortunate to be on a large site with good sized playgrounds and playing fields. We have maintained the buildings to a high standard, including recently completing the replacement of all the school's windows.

We have a close relationship with our feeder school, St. Pauls Infants, which occupies a site nearby and we continue to build links across key areas. We strive to play a key part in the local community and is an active member of the local school cluster.

We look forward to welcoming you on a visit to show you what a fantastic opportunity awaits the successful candidate.

Yours faithfully
