

Dunton Green Primary School

March 2017

Dear Applicant

I am very glad that you are considering applying for the post of Headteacher of Dunton Green Primary School. If you already are a Headteacher, Assistant Headteacher or a Deputy Headteacher with a passion for raising standards and ensuring that every child benefits from the best possible education, then I encourage you to apply.

Dunton Green is a happy and caring community school where governors, staff and children work constructively together. The school has come a long way over the last few years and the foundations have been laid for a move to an Ofsted grading of Good. We now need an experienced strong leader with energy and enthusiasm to lead and inspire staff and children, and so help us to achieve that goal and then move us on to Outstanding.

Our newly constituted senior leadership team is working well together. We already have a capable team of mainly young teachers who just need a little more help and encouragement to ensure that their teaching is always good or outstanding, and that children of all abilities are stimulated and challenged, thus ensuring they progress well. We have a number of children with special needs and we work closely with them and their parents to support them and enable them to play a full part in the life of the school.

Major housing developments are taking place in the area. We want to become the school of choice for all local parents. The school is working closely with Kent County Council regarding the possibility of expanding to two form entry to meet additional demand for pupil places in the future.

The governors have a wide variety of experience and are very committed to the school. We look forward to working with a new Headteacher who shares our belief that every child matters and that our goal must be to help every one of them to achieve their full potential.

To the right candidate, this post will be an extremely rewarding experience, an opportunity really to make a difference and to lead a promising school with delightful children and dedicated staff into the next phase of its development.

If you would like to learn more about the role or to visit the school, please get in touch with the Acting Headteacher, Vanda Marchetti, on headteacher@dunton-green.kent.sch.uk.

I look forward to receiving your application.

Yours sincerely

Sarah Brown
Chair of Governors
