Dear Colleague

Thank you for the interest you are showing in our school. We are understandably proud of our pupils, staff and wider community and look forward to introducing you to them.

Harcourt is very much a family orientated team spirited school where the children come first and business (although important ) comes second. Our staff team are renowned for going the extra mile and this is reflected in both our pastoral support and our results. We are passionate that every child does matter and our SEN, pupil premium and more able children are equally supported in their aspirations.

As a good school with a rising roll, our amazing children, modern classrooms and extensive grounds offer abundant opportunities for creativity and fun.

One of our strengths is growing and nurturing staff throughout their career and the Governing Body is committed to supporting our new Headteacher in this respect.

Please take the time to visit our website and read the various information we have provided.

I hope this has given you a flavour of Harcourt and I look forward to receiving your application.

Kind Regards,

*Clare A Bridge*
