

**TUNSTALL**  
C. of E. PRIMARY SCHOOL

**LEARNING CARING SHARING**

Dear Applicant,

Thank you for your interest in our Head teacher position at Tunstall Church of England Primary School. On behalf of the pupils, staff and governors I would like to extend a warm welcome to you.

We are very lucky in that we moved onto a brand new site eighteen months ago and into a beautiful new building with spacious grounds. When you visit the school you are sure to be impressed!

Tunstall is an expanding C of E school, taking on an extra class each year. At present, only Year 4, 5 and 6 are single classes. In three years we will become a two form entry throughout. Although we are a successful school we are not in any way complacent and are looking for someone who can manage this expansion without sacrificing the family and community feel that is an important feature of the school. Visitors, when they walk through the door, frequently comment on the friendly welcome they receive from staff and pupils alike.

The school is a high attaining church school and, together with our strong SLT, teaching and support staff and governors, we would expect our new head to inspire and lead us to even further improvement. Are you that visionary, ambitious, innovative leader who can take our 'Outstanding' school forward maintaining what is excellent while having a vision for development?

We have a very supportive PTA and Governing Body and the school has strong links with the local church. The school also hosts Community Lunches once per month. These have proved very popular with the numbers growing month on month.

If you have looked at our web site and other information and believe you share our aspirations and philosophy and have the knowledge and enthusiasm to develop the school further then please apply for the position.

I look forward to receiving your application.

Yours sincerely

Doreen Hunter

Chair of Governors

Tunstall C of E Primary School
