

Dear applicant

Welcome to our microsite and thank you for considering applying to join us at Capel le Ferne Primary, part of the Samphire Learning Hub group of schools.

We are a one form entry rural primary school, serving both the local villages and the nearby towns of Dover and Folkestone, with easy access from the A2 and A20. You will find we are a welcoming and friendly school where children are happy, feel safe and are encouraged to achieve their full potential. Our values of Independence, Creativity, Confidence and Respect, underpin all that we do.

We are fortunate to have an expanse of green space for our children to enjoy including an amphitheatre! This enables us to provide many learning opportunities and activities both during school time and during many after school clubs.

The local community is important to us and within the village, our children partake in community events including the laying of a wreath on Remembrance Day and recognising important events at the Battle of Britain Memorial.

Pupil well-being is really important to us, and we offer a fantastic nurture provision to enable support and intervention for any pupil identified as in need, at any level.

The successful candidate will be welcomed by a strong and well established SLT who will support you in your role, and an experienced board of Governors.

Yours sincerely,

Michelle Topley  
Co-Chair of Governors
