Dear applicant,

On behalf of the Governors, welcome to the microsite for the role of Headteacher at Slade Primary School in Tonbridge.

The Governors of Slade Primary School are seeking to appoint an inspirational individual to lead our school. We've reflected this in our person specification, which we hope you read with interest, and in the information provided on our microsite, including thoughts from our wonderful pupils, from which we know their enthusiasm for their school will shine through.

Slade has a hugely supportive parent and carer community and a successful Parent Teacher Association. They share our excitement about what the next chapter could hold for Slade, building on the excellent shared ethos of providing a supportive environment for learning for all.

We are all very proud of our specialist resource provision; the Hearing-Impaired Unit sits alongside a wonderful Inclusion team. We are looking for a candidate that shares our passion for helping children to learn all of the skills they need to flourish.

Governors are committed to facilitating staff development and well-being and we are looking for a leader who can lead consistently high standards in school alongside prioritising these key factors.

All of the information you need to apply for the role is included on the microsite, but please don't hesitate to contact our colleagues at Kent Teach if you have any questions.

We look forward to receiving your application.

Yours faithfully,

Eleanor Hoyle

Chair of Governors
