April 2025

Dear Applicant

Thank you for your interest in becoming Head Teacher of Elham Church of England [Aided] Primary School.

We believe that Elham is a very special school with a character and spirit that is quite exceptional and a very clear Christian ethos. We are fortunate to be in an idyllic location and to have extensive grounds which, amongst other things, accommodate our wonderful Forest School.

The Governors feel passionately about the success of the school and the happiness of the children. We endeavour to support the Head Teacher and all staff as fully as possible; our staff are committed, highly professional and enormously caring; and our children are well behaved, sociable and keen to look out for each other – a fact frequently commented upon in Inspection Reports!

We believe that Elham Primary School is now well placed to cope with the inevitable financial pressures of the future whilst at the same time continuing to flourish and maintain our distinctive identity.

If Elham sounds like the place for you to take the next step on your career in teaching, and you can support our Christian ideals, then please do come and have a look round. We very much hope that will be followed by your application to become our new Leader.

We look forward to meeting you.

Very best wishes

Trevor Gasson  
Co-Chairs of Governors

Ed Robbins
