1. Introduction

St John's CE Primary School is committed to working in accordance with Keeping Children Safe in Education, and the DBS Code of Practice, which require that the school makes available a copy of its Policy on the Recruitment of Ex-offenders to all job applicants.

This policy provides a framework within which the school will seek to ensure that all cases are assessed fairly, and on an individual basis. St John's CE Primary School will not discriminate because of a conviction or other information revealed.

2. Scope

This policy applies to all Employees and Governors of St John's CE Primary School.

3. Adoption Arrangements and Date

This policy was adopted by the Governing Body of St John's CE Primary School on 13/08/2025 and supersedes any previous Employment of Ex-Offenders Policy.

This policy will be reviewed by the Headteacher every 2 years or earlier if there is a need.

The effectiveness of this policy will be monitored, evaluated, and reviewed by the Headteacher and Governing Body.

4. Background

St. John's CE Primary School, Bayham Road, Sevenoaks, Kent TN13 3XD T: 01732 453944

The Rehabilitation of Offenders Act 1974 allows most convictions and cautions to be considered spent after a specified period of time. Once a caution or conviction is spent the person is considered rehabilitated and the ROA treats the person as if they had never committed an offence. This means that jobseekers with criminal records have the right to legally withhold such information from a prospective employer when applying for most jobs.

All positions that involve working with children are exempt from the provisions of the Rehabilitation of Offenders Act 1974. All applicants must therefore declare all previous convictions and cautions, including those which would normally be considered “spent” except those received for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules.

Candidates applying for a vacancy will be asked to complete a Self-Disclosure form on which they will be asked to disclose any relevant convictions, court orders, reprimands, warnings, or other matters which may affect an applicant's suitability to work with children.

Further information on the Self-Declaration process for job applicants is contained in the main body of the Recruitment Guidance Notes. Additional information can also be found at <https://www.nacro.org.uk/criminal-record-support-service/support-for-employers/asking-about-criminal-records/?nowprocket=1>

5. Legal Requirements

Keeping Children Safe in Education

Keeping Children Safe in Education gives statutory guidance and states:

- Where a role involves engaging in regulated activity relevant to children, schools and colleges should include a statement in the application form, or elsewhere in the information provided to applicants, that it is an offence to apply for the role if the applicant is barred from engaging in regulated activity relevant to children.
- Schools and colleges should also provide a copy of the school's or college's child protection policy and practices and policy on employment of ex-offenders in the application pack or refer to a link on its website.
- Schools and colleges should assess cases fairly, on an individual basis. A decision not to appoint somebody because of their conviction(s) should be clearly documented, so if challenged the school or college can defend its decision, in line with its policy on recruitment of ex-offenders.

DBS Code of Conduct

The DBS Code of Conduct, published under section 122 of the Police Act 1997, advises that it is a requirement that all registered bodies must treat DBS applicants who have a criminal record fairly and not discriminate automatically because of a conviction or other information revealed.

Registered Bodies, and those in receipt of the DBS Update Service information, must have a written policy on the suitability of ex-offenders for employment in relevant positions. This should be available upon request to potential applicants and, in the case of those carrying out an umbrella function, should be made available to their clients. Clients of Registered Bodies should make this policy available to their potential or existing employees.

5. Policy Statement

- As an organisation assessing applicants' suitability for positions which are included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order using criminal record checks processed through the Disclosure and Barring Service (DBS), St John's CE Primary School will comply fully with the DBS code of practice and undertakes to treat all applicants for positions fairly.

- St John's CE Primary School ensures that all employees involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences using information available at www.nacro.org.uk

St John's CE Primary School

- At interview, or in a separate discussion, St John's CE Primary School ensures that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.
- St John's CE Primary School makes every subject of a criminal record check submitted to DBS aware of the existence of the code of practice and makes a copy available on request.
- St John's CE Primary School undertakes to discuss any matter revealed on a DBS certificate with the individual seeking the position before withdrawing a conditional offer of employment.
