Dear Applicant,

Thank you for your interest in the position of Principal at Towers School and Sixth Form Centre. On behalf of the Board of Trustees, it gives me great pleasure to introduce you to our school and to share the exciting leadership opportunity before you.

At Towers, we believe that every child deserves the opportunity to learn in a safe, nurturing and respectful environment. Our students are happy, confident and ambitious young people who leave us ready to take their place as effective members of society—equipped with the knowledge, skills, and values to achieve their best as individuals.

We are proud to be a truly inclusive school. Our partnership with Wyvern School, which operates a satellite centre on our campus, enables students with additional needs to engage fully in both specialist support and mainstream classes. This collaboration reflects our commitment to inclusion and ensures that all learners have the chance to thrive.

For those students who find school life more challenging, our on-site Rashford Centre provides a calm and supportive space designed to help them re-engage with learning and flourish. It stands as a testament to our belief that no child should be left behind, and that every young person has value and potential.

Our co-curricular provision is strong and broad. Highlights include our celebrated cheerleading team, girls' football, dance and drama programmes—but we are also attentive to offering a wide spectrum of physical activity for all students through our extensive sport facilities and competitive programmes.

Our Sixth Form is a key strength of the school. The Towers Sixth Form is thriving with over 200 students studying a wide range of subjects over two years, and we are growing year on year both in size and reputation. As Principal you will have the opportunity to lead this growth, shaping a Sixth Form that meets the individual ambitions of young adults and remains integral to our whole-school vision.

As a Board, we are deeply proud of what Towers has become under the guidance of our retiring Principal, and we are now looking for a new leader who will build on these strong foundations and continue to inspire excellence across all areas of school life. The successful candidate will be a visible, compassionate leader who values collaboration, inclusion, high expectations and student voice. You will champion both our staff and students in the pursuit of continued success.

If you share our vision and values, we would be delighted to receive your application. This is an exciting opportunity to lead a school with a strong sense of community, dedicated staff and students who genuinely love to learn.

Thank you for taking the time to consider joining us at Towers School and Sixth Form Centre. We look forward to hearing how you could help shape the next chapter of our journey.

Yours sincerely,

Jasmine Turner
