Dear Applicant,

A very warm welcome to our microsite. I hope that you will enjoy finding out about us and, having liked what you've read, will feel encouraged to apply for the post of Head Teacher at our vibrant and popular village school.

The Trustees of Graveney Primary School are seeking to appoint a person with leadership experience and outstanding personal qualities. Our school is smaller than average, set in a rural village and currently has 103 pupils on roll in mixed-aged classes spread over four classes. We work collaboratively with other local schools in the area and are very proud of our local and community connections.

The school has supportive trustees and parents, with an active PTA and our children are happy, well-behaved and motivated. Our four classes include: Reception, 1-2, 3-4, and 5-6 and all have a teaching assistant, and other assistants are employed to help with children with SEND.

As a governing body, we are committed to the professional development and the well-being of all staff in the school and particularly the Headteacher.

We are looking for an inspirational Headteacher to join us from April 2025.

I very much hope that you will consider making a visit to the school to find out for yourself what a wonderful place it is, not only for our children but for our staff and everyone who visits.

We welcome visits by arrangement and look forward to hearing from you.

Yours sincerely,

Martin Wicks
