## Welcome to Our Brenzett Family!

We are a very warm and welcoming school, set in amazing grounds where we are so privileged to have our Forest School in full flow!

We have a dedicated staff team and we are able to meet the needs of our children and families by working in very close relationship with them.

## Our School Vision

**Be Positive, Be Honest, Be Kind, Be Brenzett!**

**Friendship - Trust - Compassion - Forgiveness**

## Our School Mission Statement

We want Brenzett CEP School to

- be an inspiring environment in which all individuals are cherished in the context of the Christian faith and family values of love and forgiveness as expressed by the Church of England
- be a welcoming, uplifting and safe environment where we take pride in each other's achievements
- deliver excitement in learning through supportive, stimulating teaching that is progressive and constantly evolving to develop everyone's potential
- be a community which promotes respect and diversity; thriving on positive, supportive relationships

## The importance of being a Church School

Brenzett Church of England Primary School has a strong Christian commitment. We believe that through Christian Teaching and example our children will benefit and be enriched.

We aim to educate children with a firm foundation of Christian knowledge and experience in order to encourage their spiritual development. This means respecting the beliefs and values of other people whether they have a religious background or not.

## Starting School

Prospective parents are very welcome to visit the school to meet the Headteacher, staff and children – seeing the school at work!

Meetings can also be arranged for parents to find out more about how they can be involved when children start school.

The pictures and words in this leaflet can only give a small glimpse of our work. The best way to get to know us is to come and visit! You will be warmly welcomed by pupils and staff alike.

Parents play an especially vital part in school life and there are lots of opportunities to share in the fun!

## Our Church Trust

In Autumn 2016 the school joined the Aquila (DCAT), enabling staff to access a range of exciting professional development including School to School support and leadership qualifications

The school has a long history - it began in 1851 and moved to its new building in 2002, this has provided excellent accommodation for 5 classes as well as additional teaching space for intervention groups and a truly amazing outdoor environment which includes a Forest School area. Brenzett CE Primary values its links with the local community, especially the local church, St Eanswith's.
