

Grove Park C. P. School Job Specification

Class Teacher:

You are required to carry out the duties of a school teacher as set out in the *School Teachers Pay and Conditions Document*, issued by the DCSF.

The post requires that you teach pupils in the age range 4 to 11 years.

In addition you are expected to undertake the following responsibilities:

- To work with an allocated team in developing the work of the team and supporting colleagues not in the group.
- To work as a team member in all areas of the school and contribute in moving the school forward.
- To keep up-to-date with the philosophy, teaching methods and resources available by liaising with outside agencies, continual professional development, visits and personal study; reporting and discussing with other staff.
- To be involved in target setting and to support the monitoring and reporting of standards in subjects related to your team.
- To respond to the requirements of assessment and to assist in the development of appropriate assessment methods in the school.

Curriculum areas & responsibilities

Areas of responsibility are set within the subject teams which all teachers are expected to take a significant role. These include the education/school agenda and subjects linked to that team.

As a subject team member it is expected that you will support the Team Manager in developing the team's areas of responsibility and supporting other colleagues.

Staff are expected to undertake some extra curricula responsibility that hopefully fits with their interests.
