# Our Vision

**A shared purpose to work together to support the young people in all of our schools to *Lead Successful Lives***

Thank you for taking the time to consider this role.

At Endeavour MAT we celebrate the differences between our schools and want them all to continue to improve. Exam results are important, but we go further, helping our students, staff and schools to thrive and to be remarkable. Our culture of working together means that we can achieve more collectively than we could alone, aiming to nurture a balance between autonomy and collaboration.

We actively embrace the challenges we face, and do so with humility, acknowledging that there are always ways in which we can get better. This allows us to work creatively, looking for ways in which we can learn, within and beyond education. Our destination driven focus applies as much to our community of students as it does to our schools and our people.

When the time comes, we want our students to be able to grasp their future with both hands, confidently able to play a full and active role in society and aware of the impact their decisions and actions can have. We strive to ensure students leave school well qualified and with the skills and experiences that will enable them to pave their own way in life. We want our curriculum, teaching and learning and co-curricular programme to be exemplary as we prepare our students to ***Lead Successful Lives***.

We are looking for people to join us who share our vision and want to help us to realise it in the lived experiences of the young people we are so lucky to teach. We value our staff, trust our staff and work to develop you professionally. Our staff are our most important asset and your welfare in the role is a key consideration. We are also acutely aware of If this is the kind of opportunity that interests you, we would be delighted to receive your application.

# About the Trust and Role

# About the Role

## A shared purpose to work together to support the young people in all of our schools to *Lead Successful Lives*

I am incredibly honoured to be the Head Teacher of Stone Lodge School which opened in 2019 and has already established itself as Kent's most over-subscribed non-selective school. We are justifiably proud of our inclusive, motivated and dynamic community all working in collaboration to ensure everyone, both teaching staff and students are supported to achieve their aspirations.

We were delighted to move into our brand-new state of the art building in April 2022 and look forward to growing from strength to strength as the most popular non-selective school in the area.

We are seeking an excellent **Lead Teacher of Food Technology** responsible for shaping our curriculum across the key stages as we grow into KS4 & 5 as the school scales up. The ideal candidate will be a creative and innovative leader, with exceptional teaching and pedagogy, and will possess a keen drive to make a real difference to all of our students.

Our school is one of three schools which together form Endeavour MAT. Whilst the school first opened in September 2019 with just four forms in Y7, in September 2022, we will have 700 students including a small 6th Form and an 8-form Year 7 entry. Since opening, we have been quoted by Kent Advice website as 'overnight, the most oversubscribed school in Dartford'. The school has also proved to be very popular with staff and we are excited to be expanding and welcoming further opportunities to join our staff team

To be our ideal candidate you will:

- be an expert teacher with a proven track record of delivering high quality lessons with excellent student outcomes.
- have the leadership and drive to develop teaching, learning and curriculum within their subject specialism and beyond.
- be committed to raising standards for all students.
- be capable of developing staff within a team to secure strong results.
- be forward thinking and pro-active in identifying key trends and responding to the inherent changes required in the delivery of this subject area.
