Hadlow Rural Community School (HRCS) opened in September 2013 and offers a unique educational opportunity to students in Hadlow itself and across the wider local area. It is situated on the 630-acre campus of Hadlow College.

Hadlow Rural Community School is a popular, oversubscribed School with a current roll just under 400 students. The School has recently relocated to a £7million new build and has developed a strong reputation both locally and beyond for enabling its young people to excel and flourish; providing an exciting, vibrant and dynamic experience in academic and land based vocational studies. The school is heavily oversubscribed and has, for the last three years, achieved the highest percentage of applications for Year 7 places, for non-selective schools, across the entirety of Kent.

We are looking to appoint a self-motivated, innovative and exceptional Maths teacher who has the necessary ambition and expertise to play a key part in the future success of the School.

This is an exciting post for an excellent practitioner and offers an outstanding opportunity for potential future career development (over 70% of leadership positions have been appointed from internal progression in the last 5 years). The role provides the perfect opportunity for a candidate new to teaching and wishing to begin their career within a small and supportive environment or, for more experienced candidates, it will provide the opportunity to take on more responsibilities supporting any potential aspirations for leadership in the future.

The school ethos centres on providing an educational experience suited to our students and the local community and whilst academic progress is of the highest importance to us, this is equally matched by our promotion of vocational and enrichment opportunities, ensuring the development of every child as a whole. This has been strongly supported through our most recent [Ofsted inspection](#), February 2019 in which the school received its second 'Good' rating.

If you feel that you are a highly motivated, inspirational teacher who has the expertise and experience to play a vital part in the future of our School then we would very much like to hear from you.
