The North School is a large, non-selective school located in central Ashford. We are located only 5 minutes' drive away from Junction 10 of the M20, and are close to Ashford International Station. The school campus is highly attractive, with a blend of well maintained traditional and modern school buildings, and extensive sporting facilities. The school is renowned in the local community for our basketball academy and fully working school farm.

At The North School we recognise that the students are at the centre of the learning experience and that they all come with different needs and abilities, not to mention interests and strengths. We encourage students to achieve personal excellence in everything they do, and to take pride in the progress they make as individuals. We have been recognised as "Good" by Ofsted, and we are now the school of choice for the local community. We are delighted to be oversubscribed throughout key stages 3 and 4, and to have grown a thriving and highly successful Sixth Form which offers an ever-expanding range of A Level and Level 3 BTEC courses.

Leadership across the school is a strength. The school has a highly experienced senior leadership team, which includes two Deputy Headteachers and a team of Assistant Headteachers. In addition, the school benefits from being part of the Swale Academies Trust. The Head of School is supported by an Executive Headteacher, who is an experienced Headteacher who knows The North School well. The school profits greatly from the collaborative support of Swale Academies Trust, whereby close working networks continue to drive improvements of teaching and learning, curriculum development, and school management. We are passionate about all aspects of teaching and learning. We have developed an exciting culture of continuous professional development, and actively seek to celebrate and promote the best practice that exists in the school. Teachers are encouraged to plan collaboratively, both within the school and across the Trust. The school prioritises the development of systems and approaches that both reduce within-school variation as well as unnecessary burdens to teachers' workload.

We offer our students a broad and stimulating curriculum with a sharp focus on literacy and high expectations for all. We are proud of the positive learning culture that exists within the school and we set the bar high on expectations for behaviour and student engagement. We have extensive pastoral systems to support student engagement and wellbeing. Relationships between staff and students are open, friendly and cooperative.

We look forward to welcoming you to The North School and introducing you to our fantastic students and staff.

Dear Applicant,

Thank you for your interest in this role within Swale Academies Trust. Swale Academies Trust is one of the leading Multi-Academy Trusts in the south east with a highly effective record in school improvement. We are currently looking for outstanding leaders and teachers to join us as we grow. Swale Academies Trust consists of a group of primary and secondary schools based in Kent, East Sussex and South London. We are also working with a number of schools who require support prior to joining the Trust. We have a very strong track record in school improvement and are looking for dynamic people who want to transform children's lives in some of the most challenging educational contexts in the region.

We are looking for ambitious professionals who are interested in working with pupils from diverse communities in some of the region's most challenging schools. We want energetic, inspiring classroom practitioners who are highly motivated and committed to the profession. We recognise the importance of a well-ordered teaching environment for staff to flourish. Parents and teachers provide regular positive feedback about our work to create a positive climate for learning. As a result, Ofsted visits identify pupils' conduct as a strength across the Trust. We want teachers who are keen to make a positive difference to children's lives, are proud of the students they teach, the work they produce and share this pride in the achievements of all.

Our salary package, continued professional development and additional benefits are some of the best in the sector. We invest in our staff at every level with a wide range of coaching programmes, delivered across our schools, including Westlands, the Trust Teaching school. We also work closely with a number of external partners such as the University of Kent to support leadership development across our family of schools. All of our schools are unique and reflect the communities they serve but they work closely together to support each other and collaborate to raise standards. Teachers identify the well-structured collaboration as a key factor in improving their practice but also improving their work-life balance.

Since its creation in September 2010, Swale Academies Trust has become a strong and successful school improvement service, specialising in taking schools in Ofsted category and turning them into good schools. A glance at the most recent Ofsted reports for Beaver Green Primary School, South Borough Primary School, Meopham School, Regis Manor Primary School, Westlands Primary School, Istead Rise Primary School and The Sittingbourne School, will all point to the effectiveness of the Trust in bringing about change and providing and enabling excellent leadership. First and foremost, Swale Academies Trust is about the provision and development of high quality leadership and management.

Our ambition is driven by enabling schools and children to succeed. We have a wide range of excellent and highly accomplished senior leaders who lead with a sense of purpose, charisma and a set of shared values. The Trust is fortunate to be overseen by a Board of Directors who share leaders' values and provide the highest quality challenge and support.

We are proud of our schools and strive for a sense of shared pride in the achievements of all of our students.

We look forward to receiving your application.

Yours sincerely,

Jon Whitcombe
Chief Executive Officer
