Candidate Information Pack

# Welcome

Thank you for your interest in applying for a position at our school.

We were founded in 1881, with a history that can be traced back as far as 1248, and the provision Simon Langton left for the 'perfection' of support for poor priests. Jump forwards nearly 800 years to a school that is striving to create the perfect environment for students and staff to work and learn together.

Today we are an exciting, vibrant, home to over 1300 students and staff. Set on a 14-acre site on the edge of Canterbury, and having completed a major rebuilding programme in 2021, we boast a modern campus to match our expectation and aspirations. From Years 7-11 we welcome girls, with external students competing to join our thriving mixed-sex sixth form. Together we strive for academic and pastoral excellence, supporting all students and staff to be:

- *ambitious in their dreams and thinking: driven to achieve their very best; focused on academic and personal self-improvement; achieving outstanding outcomes in any field*
- *confident in themselves and their abilities: stepping outside of their 'comfort zone'; demonstrating a willingness to show their capabilities to others; approaching difficult situations with careful planning and positivity*
- *independent in their mind and actions: original thinking; giving a voice and action to personal beliefs; making a positive difference to the lives of others*
- *creative in their problem-solving and imagination: producing work that demonstrates strong artistic accomplishment; navigating difficult problems or situations through preparation and planning; inventive and/or original in achieving outcomes*

If your drive and ambition matches ours, and you aspire to be a part of something very special, I invite you to apply to join the Langton Family.

Headteacher

# Safeguarding

Simon Langton Girls' Grammar School recognises our statutory responsibility to safeguard and promote the welfare of all children. Safeguarding is everybody's responsibility and all those directly connected (staff, volunteers, governors, leaders, parents, families, and learners) are an important part of the wider safeguarding system for children and have an essential role to play in making this community safe and secure.

Simon Langton Girls' Grammar School believe that the best interests of children always come first. All children (defined as those up to the age of 18) have a right to be heard and to have their wishes and feelings taken into account and all children regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection.

Simon Langton Girls' Grammar School recognises the importance of providing an ethos and environment within school that will help children to be safe and to feel safe. In our school children are respected and are encouraged to talk openly. We will ensure children's wishes and feelings are taken into account when determining what safeguarding action to take and what services to provide.

Due to an increase in both curriculum and extra-curriculum commitments, Simon Langton Girls' Grammar School is seeking to appoint a part time teacher of music from September 2022 to join our outstanding department. Whilst the amount of time and teaching commitment of this role is small, we would also extend the opportunity to join our thriving peripatetic team and deliver private lessons at the school.

We welcome applications from talented individuals who will dedicate themselves to the implementation of the school and department's vision and the continued development of the music across the school.

This role is suitable for either an Early Career Teacher (ECT) or somebody already teaching but ambitious to develop their career further. The successful candidate must be a passionate practitioner who will fully involve themselves in the extra-curricular opportunities and events offered by the school. It would be highly desirable if the successful applicant is a pianist.

The music department is comprised of two teachers and a music technician located within our music block along with 16 visiting peripatetic teachers. Students have access to a recording studio, a suite of Apple Macs and nine practice rooms over two floors. Music is at the heart of so many areas of school life that its importance to the school is hard to overestimate!

All students study music in KS3, with the department offering GCSE and A Level Music as well as A Level Music Technology.

Music is a dynamic, ever-growing department with a rich and varied programme of high-quality events throughout the school year. Our overriding aim is to foster a culture of inclusivity and music for all but with a mindfulness for realising the potential of our most gifted musicians. More information about recent events and activities can be viewed via our departmental Facebook page @SLGGSmusicdept.

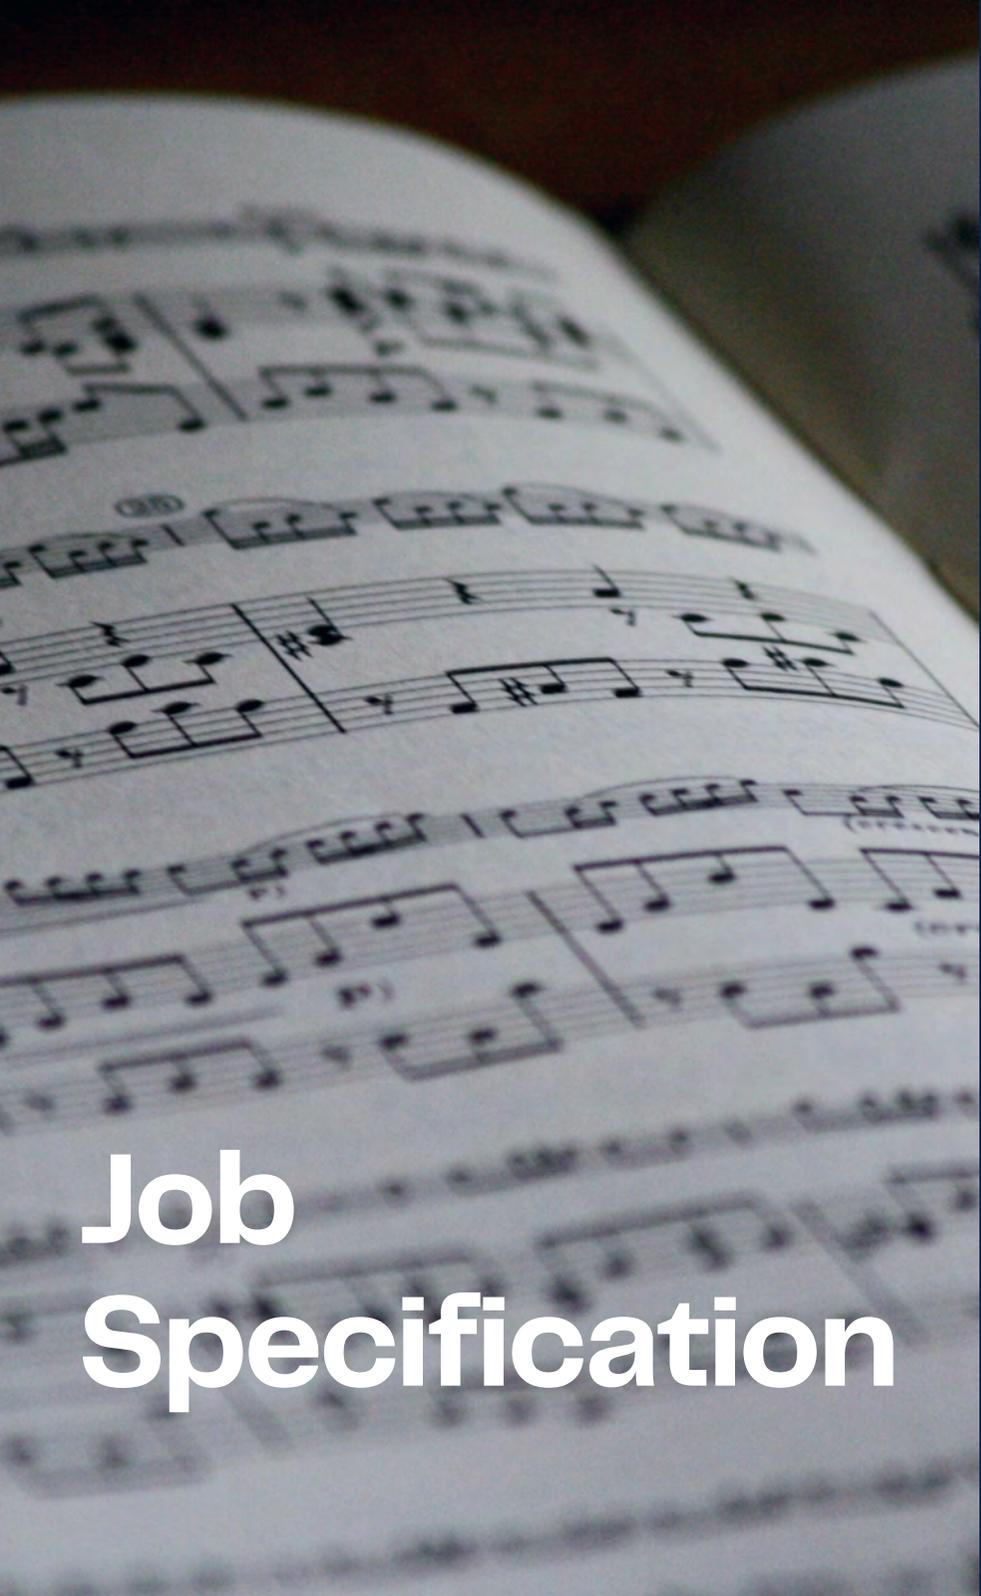

A wide ranging programme of around 25 ensembles takes place on a weekly basis. Our groups include larger ensembles such as five different choirs, a full orchestra, brass ensemble and more, along with a comprehensive chamber group provision of multiple trios, quartets and smaller vocal groups. We act as a Trinity examination centre and there is a programme of theory tuition in place for those working towards ABRSM and Trinity qualifications.

Around 30 musical events take place in a typical year, ranging from informal sign-up concerts to larger scale events that include a music and arts festival, orchestral concerts, musicals production and more. Over the last few years pupils have had the chance to perform in Salzburg Cathedral, Canterbury Cathedral, Canterbury Parades, Notre Dame Cathedral, the Marlowe Theatre, Shirley Hall, Colyer Fergusson Hall, Rochester Cathedral, Westminster Cathedral, Guildford Cathedral, Brussels Cathedral, Disneyland Paris and more!

Our school places the same importance on academic excellence as it does on mental wellbeing and the development of non-examined skills. Teachers are given the opportunity to develop and lead research opportunities; previous and current projects have been/are supported by the likes of the Royal Society, major pharmaceutical companies and top universities. These projects feed into the rich and varied offer delivered through the Langton Extended Curriculum, working to ensure that we help shape ambitious, confident, independent and creative students, ready to take their place in society.
