We proactively support our girls through their adolescent years to empower them and support them to become morally well-grounded young ladies.

Community values feature high in the College ethos where we work in partnership with a host of groups to give something back, our annual Community Day is a unique and amazing example of this.

We are a Co-operative Trust School and embrace the values of self-help, self-responsibility, democracy, equity, equality and solidarity.

OUR SCHOOL

Why work at Dartford Science and Technology College?

DSTC is a small, non-selective secondary school for girls in Dartford. We are family-centred with high aspirations and pride ourselves on excellent pastoral care. There is a strong sense of community, based on excellent relationships between staff, pupils and parents. In 2017 Ofsted graded the school Good overall and Good in each category and in March 2022 they said that DSTC continues to be a good school.

"The school is a safe space for pupils to learn and develop as young citizens. The school has high expectations of pupils' behaviour, with strong systems to manage it. As a result, pupils behave very well. 100% of staff feel proud to work at DSTC and 85% of parents who responded to Parent View would recommend DSTC to other parents" (Ofsted March 2022).

We are a Co-operative Trust school and are committed to supporting our workforce to be the best they can be. We can offer accelerated professional development with a personalised approach to developing all staff through coaching, mentoring and both internal and external training. Our new staff will have unparalleled opportunities to learn and bring excellent practice to bear in raising achievement for the students of DSTC.

DSTC is easily accessible by car, cycle or public transport. We are a 5-10 minute drive from both the A2 and M25 and only a 15-minute walk from Dartford Station where both trains and buses run frequently. We have free parking on site for all staff.

Additional Benefits:

- Free on-site parking
- Free refreshments
