### Information for Applicants - the Application and Recruitment Process

#### Application Form

Applications will only be accepted from candidates completing the enclosed/attached application form in full. CVs will not be accepted as a substitute for completed application forms in the absence of a good reason.

#### Safeguarding Children

Candidates should be aware that all posts in the school involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see the job description for the post. Accordingly, this post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions and cautions, including those normally regarded as 'spent' must be declared.

The successful applicant's appointment is conditional upon satisfactory clearance by the Disclosure and Barring Service (DBS).

Any convictions or cautions disclosed by this process will be treated in the strictest confidence and certain types of conviction or caution need not necessarily prevent you from working with us - especially if they were a long time ago.

If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure. If you are not currently working with children but have done so in the past, that previous employer will be asked about those issues. Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children, although they may, where appropriate, answer 'not applicable' if your duties have not brought you into contact with children or young persons. If you are successful, your inclusion on the list of people barred from working with children will be checked before your appointment.

You should be aware that provision of false information is an offence and could result in the application being rejected. If appointed on the basis of false information you could be summarily dismissed for acquiring your post by deception and a possible referral to the police and/or the National College for Teaching and Leadership could also follow.

You will be aware if you are barred from working with children that it is a criminal offence to apply for this post and a criminal offence for the school to employ you.

The school has a duty to monitor the workforce to ensure race equality, gender equality, and disability equality. We would be grateful if you could complete the accompanying equality

monitoring form and return it with your completed application form. The information you provide will only be used for monitoring purposes and it will not influence the recruitment decision. The paper form will be retained confidentially and will be destroyed securely after the monitoring data has been recorded and the recruitment decision is made.

### **Invitation to Interview**
