Our Vision

A shared purpose to work together to support the young people in all of our schools to *Lead Successful Lives*

Thank you for taking the time to consider this role.

At Endeavour MAT we celebrate the differences between our schools and want them all to continue to improve. Exam results are important, but we go further, helping our students, staff and schools to thrive and to be remarkable. Our culture of working together means that we can achieve more collectively than we could alone, aiming to nurture a balance between autonomy and collaboration.

We actively embrace the challenges we face, and do so with humility, acknowledging that there are always ways in which we can get better. This allows us to work creatively, looking for ways in which we can learn, within and beyond education. Our destination driven focus applies as much to our community of students as it does to our schools and our people.

When the time comes, we want our students to be able to grasp their future with both hands, confidently able to play a full and active role in society and aware of the impact their decisions and actions can have. We strive to ensure students leave school well qualified and with the skills and experiences that will enable them to pave their own way in life. We want our curriculum, teaching and learning and co-curricular programme to be exemplary as we prepare our students to ***Lead Successful Lives***.

We are looking for people to join us who share our vision and want to help us to realise it in the lived experiences of the young people we are so lucky to teach. We value our staff, trust our staff and work to develop you professionally. Our staff are our most important asset and your welfare in the role is a key consideration. If this is the kind of opportunity that interests you, we would be delighted to receive your application.

About the School

About the School

A shared purpose to work together to support the young people in all of our schools to *Lead Successful Lives*

Wilmington Grammar School for Boys is a safe and inclusive environment. We raise aspirations and expectations across a richly diverse community. Through an ambitious, creative and forward-thinking curriculum we develop individuals who demonstrate and understand the traditional values of Personal Excellence, Respect, Innovation and Creativity, Determination and Equality for All. With a bespoke personal development programme, we reach beyond the classroom: we take every available opportunity to broaden horizons, raise ambitions and make a positive difference to the world around us.

We are proud of the school's academic focus. Lessons are fast-paced and we encourage challenging questioning and deep thought. Teachers are given the freedom to teach material in the way they see fit; there is no one-size-fits-all approach. Students respond enthusiastically to feedback and they work **with** their expert teachers to get the best possible outcomes.

A culture of cheerful cooperation is central to this school's success. We are determined to offer unparalleled opportunities to staff and students beyond the classroom. All staff are encouraged to contribute to the student experience and many are involved with extra-curricular clubs, the Duke of Edinburgh's Award or our extensive planned programme of overseas cultural visits.

We invest significantly in staff support, training and development. Early career teachers can expect an experienced mentor, additional support sessions throughout the year and a supportive pastoral guidance team. Experienced colleagues will take part in a thorough induction and will be involved in our weekly professional development sessions. All colleagues have access to a broad suite of training and development opportunities that will provide a clear pathway for career progression.
