

STUDENT SUPPORT MANAGER
SCHOOL OF SCIENCE AND TECHNOLOGY MAIDSTONE

1. INTRODUCTION

1.1. OUR TRUST

Our Academy consists of an exceptional cluster of primary and secondary schools at the heart of our local community, based in the Maidstone and Malling area of Kent. The Trust was legally established as a Multi Academy Trust on 10 March, 2011.

VIAT believes in benefits of cross phase education, whereby all pupils, regardless of background, have a broad curriculum by specialist teachers across all ages; thereby enabling children to master the knowledge and skills they need to achieve their full educational and personal potential.

Our team work tirelessly to ensure that every child can be the best they can be along with providing an innovative and interactive curriculum based on the arts and academia; we aim to be at the forefront of developing new approaches to learning, embedding the 'mastery' approach to teaching and learning; securing the very best outcomes for pupils. Our children only get one chance in their education and it is our responsibility to provide the very best for them.

All our schools have a strong, inclusive and cohesive ethos reflecting on the schools' world class vision; staff and pupils are inspired to embed the values of respect and resilience, while developing personal character through additional wider curriculum activities and opportunities which motivate them, enable them to grow in confidence and cultivate thinking skills and creative potential beyond typical expectations.

This secure foundation ensures an ethic of aspiration, a broader commitment to, and proactive engagement in, wider society; enabling our pupils to be fully ready – academically and personally – for their transition from primary into secondary school and a life-time of influence beyond.

1.2. OUR VISION

The Trust Vision is to:

- Aspire to be an exceptional cluster of primary and secondary schools at the heart of our local community.

The Goals of the Trust are to have individuals who:

- Are lifelong learners of character.
- Are creative thinkers and innovators.
- Are collaborative and independent problem solvers.
- Are responsible and active role models/citizens.
- Have a global outlook.
