

Teacher of Mathematics

MPS Permanent

FTE/Part time/start date, flexible to be discussed at interview.

The Malling School is an extremely positive, happy and caring place for young people to learn. Our core school values are 'Caring, Determined and Reflective' and these values are embraced by all staff and children. We are delighted with our students' outcomes in the 2022 exams and are proud to be the 9th best performing non-selective school in Kent.

We highly recommend you contact the school to arrange a visit during a normal school day to experience the outstanding behaviour, high expectations and achievement in lessons, warm and welcoming staff and the kind and respectful students. Please contact: hr@themallingschool.kent.sch.uk to arrange a visit.

We have a very strong behaviour for learning policy. Low-level disruption is not tolerated allowing teachers to do what we do best, teach. Students are very clear around our high expectations of behaviour and attitude in every classroom.

You will join a Mathematics department which has high staff retention and a track record for developing teachers into future leaders. The department continues to enjoy its efficient marking, feedback and homework policies that maximise impact on pupil outcomes while respecting staff workload. Subject CPD and training is delivered within departments weekly with whole school pedagogy training delivered in morning briefings. The Department is outward looking and collaborative and annually participates with training and curriculum projects with external colleagues and outstanding schools.

We can offer you:

Opportunities to teach Mathematics to International Baccalaureate Level (KS5)

Opportunities for accelerated promotion for outstanding teachers

Extensive and individualised professional development programme

Robust behaviour systems

No formal observations – instead Developmental Learning Walks with ongoing feedback, helping you and your department to continuously develop

The opportunity to significantly impact outcomes through contributing to the continued development and improvements of an ever-evolving Mathematics curriculum.

You will be

A teacher of Mathematics looking for new and exciting opportunities

Able to teach Mathematics to KS3 and GCSE is essential, the ability to teach beyond GCSE is preferable.

Innovative and reflective in your approach to teaching

Able to achieve excellent examination results for children.

A qualified teacher
