Ebbsfleet Green Primary School is based in Ebbsfleet Garden City, Kent. We are a new one-form entry school that opened in September 2020. We take pride in our creative and entrepreneurial curriculum as it not only engages children, but challenges them to develop the skills - as well as the knowledge - befitting of the twenty-first century. At Ebbsfleet Green, we will give all children exciting, innovative educational excellence to support them to become the best they can be. We know our children will leave our school ready for the next stage of learning: by succeeding in giving our children the best start in their learning journey, we give them what they need today and set them up with every chance of success tomorrow.

We love being part of the Ebbsfleet Garden City Community and work in active partnership with residents, parents, carers and local businesses. We believe that by listening and being partners with our community, we will deliver an education to our children that will create respectful, compassionate and inquiring lifelong learners.

We are proud to be part of the Maritime Academy Trust. All Maritime schools have outstanding behavioural expectations to ensure children feel safe which supports them to learn to the best of their abilities. As part of Maritime, we champion the key behaviours of: Adaptability, Creativity & Innovation, Humility, Collaboration, Humour & Positivity and Supportiveness & Trust.

Growing a community of lifelong learners

At Ebbsfleet Green, we believe that our children deserve exciting, innovative educational excellence. We strive to ensure that our children are given the knowledge, skills and attributes they need to thrive in a modern society. Learning goes beyond knowledge acquisition to encompass life and functional skills, preparing them for relationships, roles and responsibilities which are not yet known in today's society.

We celebrate and develop children's individual talents; we emphasise the importance of developing the whole child. We recognise the importance of developing a child's character, nurturing their talents and inspiring their creativity. We always encourage children to be proud of who they are and recognise what they can achieve when they believe in themselves. Through collaborative outcomes, our children showcase excellence and expertise, instilling in them confidence and self-belief whilst raising aspirations and bringing the wider community together.

## Ebbsfleet Green Values

Ebbsfleet Green is a values-based learning community, committed to the education of the whole child.

Respect  
Enjoyment

The 6Cs underpin everything we do: collaboration, communication, citizenship, character, critical thinking and creativity, as we believe these are the attributes which will lead our children to longer-term success. The most successful people are competent in combining knowledge with skills; confidence with curiosity; and knowhow with innovation.

# Maritime Academy Trust

Maritime is a charitable education trust with schools across London and the South East and led by the CEO – Nick Osborne.

As an education charity, Maritime are fully committed to advancing education for the public benefit. It is our mission to empower our schools with the means to drive ever greater and more enjoyable outcomes for children.

This is done by seeking out the intersection between logic and magic; between the knowledge children need, the skills that will enable them to navigate a future world of work that doesn't exist yet, and a journey through education that will stick with them as they grow.

Our Maritime Entrepreneurial Curriculum brings this all together, weaving essential skills and knowledge into a thematic approach to learning that is embraced by all of our schools. It culminates with our Maritime Expeditions: child-led learning showcases that demonstrate how children have found solutions to real-world challenges.

Like our name suggests, Maritime draws on the heritage of our original Greenwich home. We are explorers and adventurers who believe that our community grows stronger the more people we meet and the more we learn from them. Our whole approach to what we do, our whole mindset, is that through strong collaboration we can most effectively spark innovation throughout our schools. Collaborate, Innovate, Educate.

We are very proud of how we work together, approaching everything through the lens of our Maritime Behaviours, the ways of working that build towards our vision and make it enjoyable to be a part of the team.

As an employee of the Maritime Academy Trust you can expect:

- a positive working environment
- national terms and conditions
- tailored programmes of CPD with cross trust development opportunities

Thank you for your interest in working with the Maritime Multi-Academy Trust. This Application Guidance has been developed to help you to complete your application. Please take a few minutes to read through the information before filling out the application form.

Your application will be your first point of contact with the Trust and the school you would like to work with. The content of your application will determine whether or not you will be invited to interview, therefore it is essential that you complete it as fully as possible. We will not make any assumptions about your abilities and do not take into account any previous applications.

CVs are not acceptable in the place of a completed application form and all candidates are required to address the criteria on the person specification for the post. However, you may submit a CV in addition to your completed application form.

## Personal Details

Enter fully and clearly your name, address and telephone number(s) so that you can be easily contacted in the event that you are shortlisted to attend an interview.

## Employment

State clearly your current or most recent employer's name and address. Include details of the post held and (if applicable) reason for leaving.

## Previous Employment

Enter names and addresses of all previous employers, starting with the most recent. You can also include work experience placements, holiday jobs or voluntary work in which you have developed skills relevant to the job you are applying for. It is very important that you complete this section in chronological order, and detail accurately any gaps between employment and other activities.

## Education

Provide full details of your education at secondary level and above along with details of degrees/diplomas and any other qualifications, including those that you are currently studying for. Make sure you give all the information required, including levels and grades of any examinations taken. If a required qualification has been specified for the role, make sure you give all the information required and levels of any examinations taken. You will be expected to provide documentary evidence if you are invited for an interview.

## Supporting Statement

This section is very important. It gives you the opportunity to detail why you feel you are the best person for the job and why you are applying, and is the key information that is used for shortlisting. Before completing this section refer to the Job Description and Person Specification for the role.

# Application Guidance

Focus on how your skills, knowledge and experience meet each role requirement, detailed in the person specification giving specific examples. In completing this section you may refer to both paid and voluntary work and your experience within any school or any relevant experience outside work.

If you are an NQT We suggest you ask the Headteacher of your most recent placement and your university or college tutor, as they will be able to comment upon your teaching skills.

If you are not currently working with children but have done so in the past, the second referee should be the employer by whom you were most recently employed in work with children. Please note that family members, friends and relatives are not acceptable referees.

Referees will be asked about past disciplinary actions or allegations excluding those that were deemed to be unfounded, unsubstantiated or malicious when assessing your application.

If you are subsequently made a conditional offer of employment, further information may be sought about health and absences.

## Eligibility to Work in the UK

If you are selected to attend for an interview you will be asked to provide documentary evidence of your right to work in the UK.

## Declarations

If you are appointed, you will be required to complete a Disclosure and Barring Service (DBS) application. The DBS will provide a report to you confirming whether you have any history of criminal convictions, including cautions and bind-overs.

All posts in schools are exempt from the Rehabilitation of Offenders Act 1974; this means you must declare all convictions, including those that would normally be regarded as 'spent'. The existence of a criminal background does not automatically mean that you cannot be appointed but it may do so.

We need to know if you have a close relationship with and/or are related to any employee, governor or anyone else connected to the school, in order to ensure a fair selection process.

If you have a disability please provide details of any adjustments that you will require if shortlisted for an interview. Any details you provide regarding a disability will be dealt with sensitively and will only be disclosed to staff involved in the selection process when it is considered appropriate and necessary.
