AAT vision

Aletheia schools are motivated by Christian values to serve our communities by improving the life chances of local children. Our schools seek to embody the Christian experience of community, where gifts are shared, where the emphasis is on what can be contributed and where each is given according to need. Aletheia schools welcome those of all faiths and none and are proud of the inclusive nature and diversity of each cohort. At the heart of the Aletheia vision are the belief in educational excellence and the belief that Aletheia is called to serve pupils, staff, parents and the local community by providing places where children and young people develop and thrive intellectually, socially, culturally and spiritually.

Aletheia is committed to sustaining and further improving high-quality schools and supporting schools in need of specific improvement. We seek to provide a range of support to schools that draws upon the wealth of practice from across our Trust, broaden the expertise available to schools through flexible working arrangements and retain the capacity to respond rapidly and effectively to the needs of individual schools. Pedagogical excellence is at the heart of all we do, with a sustained focus on collaborative and mastery learning. Our Teacher Training 'Hub' status aids our mission to recruit, train and retain staff of the highest quality within our local community.

The Trust provides a coherent and logical geographical context for all constituent schools. Belonging to a local Trust offers greater opportunities for influence than single schools can achieve; through collaboration the Trust aims to be greater than the sum of its individual member schools. We believe that the success of Aletheia is fostered by the opportunities for schools, leaders and governors to step forward as co-shapers of a school-led and self-improving system. Designated as an approved academy sponsor, we offer our distinctive ethos, school improvement strategy and strength of leadership to ensure all schools are supporting students to achieve of their very best.

AAT will deliver its vision by:

- Developing a Trust for all ages /phases of education, with member schools working in partnership and learning from each other.
- Promoting a Church of England ethos based on a belief in the value and potential of every student to achieve excellence academically; in religious education and their wider studies and become fully the person God intends.
- Pursuing educational excellence, so that outcomes for all learners are as good as they can be.
- Creating strong leadership at all levels that impacts effectively on academy performance.

All schools joining the Trust will have already established their support for and belief in these core principles.

OUR VISION

At the heart of our vision is the belief in inclusive, educational excellence; the belief that we are called to serve all pupils, staff, parents and the local community by providing places where all develop and thrive intellectually, socially, culturally and spiritually in order to live life in all its fullness.
