

## **KS2 Primary Teacher – French Specialist**

### **ADDITIONAL INFORMATION AND JOB DESCRIPTION**

#### **The School**

Founded in 1879, St Lawrence College occupies a delightful 150 acre site in a pleasant residential area of Ramsgate. The Junior School is situated 'on campus', enjoying the peace and security of a self-contained, family environment, and benefiting from ready access to the College's exceptional facilities. It is accredited by, and enjoys the professional support of, the Independent Association of Prep Schools (IAPS). We have recently been awarded a Quality Mark for our Maths, English and Early Years Teaching.

Traditional Christian values are complemented by an ambitious, open-minded approach to education, and a strong belief that a secure, supportive and well-structured environment gives children the self-confidence to believe in themselves and to rise to every challenge. Opportunities are provided for children to excel in all areas of school life: moral, intellectual, physical and cultural. Every child is valued as an individual, encouraged and empowered to succeed.

Most children are from local homes on the Isle of Thanet, though there are a few boarders from further afield. There are currently over 160 pupils on roll, aged from 3 to 11. Entry is non-selective, and so a wide range of ability is accepted. However, the school is proud of its academic achievements, and of the scope of its enriched curriculum. Pupils regularly win Senior School scholarships, and there is an impressive record of success in the Kent Test.

We take great pride in our Modern Foreign Languages (MFL) Department and value the importance of learning a language from early years through to preparation for Senior School. Over recent years we have run a range of exciting events for families including a French Café and French Market. We encourage CPD for our staff team alongside becoming part of the IAPS network of teachers.
