Salary Scale: MPS

- Do you have a belief and determination that you can make a difference?

We are looking for someone who will inspire our children, work with energy, enthusiasm and creativity in either one of our Key Stage 1 or lower Key Stage 2 classes. As an individual, you will possess strong communication skills, have high expectations and good classroom practice whilst having a belief and determination that you can make a difference and be committed to improving life chances for all our children.

We can offer you an exciting, well organised, vibrant environment as well as a developing outside space in which to work. We have a friendly, welcoming and dedicated team to support you. All staff focus on raising standards, whilst providing opportunities which allow our children to learn, grow and achieve. Our children are at the heart of everything that we do!

We are seeking to appoint a highly motivated individual who wishes to develop their career in our increasingly successful school. St. Richard's is at the heart of a supportive Catholic community as part of Kent Catholic Schools Partnership (KCSP). In our recent Ofsted inspection, it states: Pupils are happy at school and enjoy learning. They describe St Richard's as a 'kind, respectful, exciting, fun and beautiful place to be, where we are loved.' Pupils thrive in a caring environment. Everyone is included, and encouraged to do their best. Expectations for all pupils are high. One parent said, 'The support that is available is above and beyond and you get a real sense that everyone in the school genuinely cares about the children.' Ofsted October 2022.

Applications are welcome from experienced teachers and Early Career Teachers (ECT) to work 2 days per week, who are looking to develop and thrive in our school community. In addition, teachers that are Catholic and non-Catholic but who are supportive of our religious ethos.

In order to appreciate everything that our school has to offer, informal visits to the school are warmly encouraged and can be organised by contacting our School Business Manager, Andrew Gretton, via email agretton@kcsp.org.uk or calling the school on 01304 201118.
