

Job Description

Post: Lead Practitioner - Science
Responsible to: Vice Principal
Location: Mascalls Academy

Job Purpose

To raise standards and develop teaching and learning in Science across the Academy. To ensure that the aims of the academy are effectively translated into high quality classroom practice both within the subject and in general across the academy. To assist in developing, implementing, monitoring and evaluating:

- a) Teaching and learning
- b) Curriculum planning
- c) Continuing professional development
- d) Team building.

To promote and ensure positive pupil approaches to learning through:

- a) High expectations.
- b) Exceptional teaching.
- c) A stimulating learning environment.
- d) An emphasis on learning.

- To be a key leader in establishing systems and procedures to develop teaching and learning in Science.
- To consistently deliver high quality lessons, promote proven strategies and support colleagues, both on a 1-2-1 basis and in groups, to develop pedagogy and practice in order to improve the quality of learning and teaching with the specific aim of securing outstanding teaching and student outcomes.
- To work with the Science Advisor on all aspects above and to respond to academy priorities within Science as directed by the Associate Principal.
- To assist the Science Advisor and senior leaders responsible for Science within the small schools in strategically analysing data produced by the organisation.
- To make recommendations to the academy executive team based on data analysis.
- To devise action plans in order to close achievement gaps and ensure that these are being implemented appropriately.

Key Areas of Responsibility

STAFF

1. To oversee the professional development of staff in Science and across the academy and provide advice on appropriate INSET:

- Ensure that staff are kept well-informed of recent developments in Science.
- Observe the teaching of Science teachers, give constructive feedback and monitor this to ensure that it leads to improved standards in the classroom
- Allocate responsibilities and duties so as to ensure continuing professional development.
- Lead the Science team to implement and execute appropriate action plans to close the gap; then monitor the effectiveness of this.
- Design implement and evaluate an in-house, blended approach to teachers learning through strategies such as coaching, in-class training and 1-2-1 mentoring sessions.

CURRICULUM

- To support the development and reviewing of the Science curriculum and SoWs at KS3 and KS4.
- Coordinate preparation, delivery and evaluation of schemes of work for the academy in accordance with the National Curriculum requirements; with a particular focus on challenge, pace, high order questioning and thinking skills as well as writing and speaking opportunities to facilitate pupils accessing the highest grades at KS3, 4 and 5.
- Provide leadership and guidance on production of learning resources.
- Monitor and evaluate to ensure that there is a consistency in terms of learning experiences for students within each of small schools in accordance with the academy policy and the small school's criteria for effective teaching and learning.
- Provide guidance on exam specifications and delivery time frames and additional Science related qualifications that could be included in the curriculum offer at the academy.
- Lead and encourage critical professional dialogue within the Science team.
- To liaise with external agencies and the academy to enrich and broaden the curriculum.

ASSESSMENT

To issue guidance in order to develop rigour and accuracy in grading at KS3, 4 and 5 across the academy. To ensure that there are appropriately regular opportunities for pupils' work to be accurately graded throughout each half term.

1. Analyse all academy data drops for years 7-11 each half term in collaboration with the adviser. Discuss and agree appropriate intervention to raise standards within the academy for subsequent half terms and report this to the academy executive team.
2. Identify and implement strategies for raising standards at all key stages in line with the latest accountability measures.
3. To develop Assessment for Learning with Science staff across the academy in line with academy policy.
4. To ensure that there are appropriate and accessible graded examples of pupils' work from across the academy to be used for the purposes of moderation, training and as evidence of standards in English.

COMMUNICATION

1. To provide subject specific information to respective staff whenever required.

RESOURCES AND THE LEARNING ENVIRONMENT

1. To ensure that the learning environment is well-ordered, safe and stimulating, leading by example to encourage a high standard of display work in classrooms and communal areas with a clear emphasis on celebrating success, sharing achievements and the importance of both literacy and numeracy.
2. To advise on the purchase of appropriate and stimulating resources and ensure that these are used:
 - Ensure that Science staff across the academy make full use of the range resources at their disposal in particular the ICT facilities and audio-visual resources.

Person Specification

- Degree in relevant subject.
- Qualified Teacher Status.
- Successful classroom practitioner with experience in co-educational comprehensive schools.
- Evidence of commitment to extra-curricular and enrichment provision.
- Detailed knowledge of the national curriculum in the relevant area.
- Proven track record of successful strategies for raising achievement and sharing good practice.
- Evidence of enabling students to work to the highest standards.
- Good administrative skills
- Successful experience of team working.

- Evidence of leadership skills and experience.
- Good record of health and punctuality.
- Commitment to Equal Opportunities.
- Desire and capacity for further promotion.
- The postholder should have the ability to form and maintain appropriate relationships and personal boundaries with children and young people, in safeguarding and promoting their welfare.

Safeguarding of students and Duty of care

All staff, regardless of role, level of seniority and location, have a responsibility to ensure the highest levels of safeguarding and promoting the welfare of our pupils, and we expect all our staff and volunteers to share this commitment. We must collectively create an environment where children feel safe to learn, play, and grow. Children should feel comfortable in their surroundings and know that they can approach any responsible adult with any problems or concerns.

All staff must be able to identify any children who are at risk of harm, and know the characteristics of abuse or neglect. If you suspect or confirm harm then it's essential you know what actions to take.

Annual safeguarding training is offered to all staff at Leigh Academies Trust, and it is the staff member's responsibility to be aware of the most up to date guidance documented in the [Keeping Children Safe in Education document \(Department of Education\)](#).

Notes

The job description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and no part of it may be so construed. This job description is not necessarily a comprehensive definition of the post. It will be reviewed at least once a year and may be subject to modification or amendment at any time after consultation with the holder of the post.

The duties may be varied to meet the changing demands of the academy/business unit at the reasonable discretion of the Principal/Director. This job description does not form part of the contract of employment. It describes the way the post-holder is expected and required to perform and complete the particular duties as set out in the foregoing.
