

JOB DESCRIPTION: FUNCTIONAL SKILLS TEACHING ASSISTANT

Our Aim

Liberty Training is an organisation devoted to improving the lives of society's most vulnerable and needy individuals, supporting them to achieve the most in their lives. With our combined knowledge and experience Liberty Training deliver an optimum service to help young people achieve their full potential and make a positive impact on society through our nurturing and supportive Specialist Post-16 College.

Your Role

The role of Functional Skills Teaching Assistant is to provide support to the Functional Skills Tutor in delivering maths and English skills from entry level to Level 2 and to assist the training team to provide support for learners in preparation for entering the workplace. You will have an active role in assisting learners on training courses to help them progress into education, employment, training or volunteering. You will work alongside our Tutors to deliver employability skills, functional skills and British values, often to challenging and disengaged young people who may have learning difficulties.

As a Functional Skills Teaching Assistant, you will support the Tutor and Senior Leadership Team (SLT) in ensuring the courses run effectively and the service provided reflects the ethos of the company. You will support the Tutors and SLT in ensuring directives and policies are reflected and implemented in everyday practice. You will be line managed by the Head of College, but also report to your designated Tutor and/or other members of SLT.

At times you may be required to cover classes while the Tutor is called away or in situations such as sickness. The TA would be provided with the lesson plan for those sessions and the support of another TA or another member of the Training Team. Teaching time for Teaching Assistants is paid at a higher rate.

You will also be required to support small groups within the class to support their learning on functional skills appropriate to their level and individual needs.

Requirements

You will usually be required to work 8.30-16.30 Monday- Friday, but this may vary according to the needs of the company. This role is term-time only (40 weeks per year).

You must have an outgoing, friendly and confident personality with a positive attitude and a passion for helping others. Liberty Training values team players who are willing to go above and beyond in the pursuit of our shared vision. Flexibility and a good sense of humour is desirable.

It would also be beneficial to be aware of Educational Health Care Plans (EHCP) and have experience of working with young people who may have had behaviour issues, additional learning requirements, alternative delivery methods and/or SEND.

Our TA's are motivational speakers, inspirers, and energisers who broaden horizons and break down barriers to progression. We have a holistic approach to training young people, helping them wherever possible with the challenges that life may throw at them, and to join our team, you would need the same outlook. At Liberty, we have a learner-centred approach and are looking for someone with the same philosophy.

We are a small team, with an 'all hands on deck' approach, so when you are not fulfilling your normal role, you may be asked to assist the team in other areas.
