Assistant Premises Manager

Our Vision

A shared purpose to work together to support the young people in all of our schools to *Lead Successful Lives*

Thank you for taking the time to consider this role.

At Endeavour MAT we celebrate the differences between our schools and want them all to continue to improve. Exam results are important, but we go further, helping our students, staff and schools to thrive and to be remarkable. Our culture of working together means that we can achieve more collectively than we could alone, aiming to nurture a balance between autonomy and collaboration.

We actively embrace the challenges we face, and do so with humility, acknowledging that there are always ways in which we can get better. This allows us to work creatively, looking for ways in which we can learn, within and beyond education. Our destination driven focus applies as much to our community of students as it does to our schools and our people.

When the time comes, we want our students to be able to grasp their future with both hands, confidently able to play a full and active role in society and aware of the impact their decisions and actions can have. We strive to ensure students leave school well qualified and with the skills and experiences that will enable them to pave their own way in life. We want our curriculum, teaching and learning and co-curricular programme to be exemplary as we prepare our students to ***Lead Successful Lives.***

We are looking for people to join us who share our vision and want to help us to realise it in the lived experiences of the young people we are so lucky to teach. We value our staff, trust our staff and work to develop you professionally. Our staff are our most important asset and your welfare in the role is a key consideration. If this is the kind of opportunity that interests you, we would be delighted to receive your application.

About the Trust and Role

About the Trust and Role

Our Trust was set up in April 2017 to bring together local schools in Dartford to collaborate and share resources, administration and specialist managerial skills and, of course, best teaching practice.

The founding schools of the Trust are the highly successful and popular Wilmington Grammar School for Girls and Wilmington Grammar School for Boys, who together operate Wilmington Grammar 6, offering co-ed post 16 provision.

The Trust was then successfully appointed by the Department for Education to open the brand new Stone Lodge School, a non-selective co-ed school in Stone, Dartford. Since opening in September 2019 Stone Lodge has been consistently oversubscribed, September 2022 saw Stone Lodge School start their first new school year in their £35m purpose built home.

Plans for the future of Endeavour MAT include the first primary school joining the Trust in September 2022. Wilmington Primary School is a longstanding neighbour of the founding schools in the Trust and the natural fit will also bring the opportunity to impact the full age range of educational experience for students in Dartford and marks an exciting development.

Endeavour MAT aims to help students find their own individual pathway to success. Exam results, apprenticeships and university places are important, but we also understand the need to develop wider life skills, communication abilities and confidence that will contribute to both job prospects and happiness. Integral to this is the 'Endeavour Mindset', the idea that 'how' we do things is as important as our overall goals.

Our schools of course have their own identities, but all share this Endeavour Mindset, encouraging students and staff alike across the organisation to reflect and embrace challenges, learn from mistakes and develop the resilience essential in our rapidly changing world.

The growth of the Trust is a truly exciting time for candidates who are looking to further their careers in a dynamic learning community, one that offers the opportunity and support to become the best that we can be.

As an Assistant Premises Manager you will support the Premises Manager in the management of school property and premises.

We are proud of our diverse student population and passionate to create a staff team reflective of this diversity. We actively welcome applications from all backgrounds and you can be assured of a warm welcome at Endeavour MAT.
