Class Teacher Vacancy

Could you be our new Upper KS2 Teacher?

Pay scale: (MPS/UPS)

We are looking to recruit a fantastic teacher to come and join our team from the start of term 3 2024 (or as soon as possible). We have a vacancy in one of our Year 6 classes that we are looking to fill as soon as possible. The position is temporary in the first instance up until the end of Term 6 2024, however it may be possible that the position becomes permanent depending on circumstances later in the year.

If successful, you would be joining a committed and dedicated staff team and a Trust that thrives on making a difference in children's lives. If you are looking for a new challenge or would like to find out more, please get in touch. This position would suit a more experienced teacher who has proven teaching experience in Upper KS2. We would also consider applications from ECTs who have proven experience in managing the unique challenges of teaching in Year 6.

A full training and induction programme will be provided for the right candidate. We are a very caring school with effective structures to support staff in their roles. We are looking for someone with a nurturing ethos who enjoys actively supporting children in their learning and personal development. If you feel you have what it takes then we would love to hear from you. Please see the separate 'Veritas Job Description and Person Specification' for further details.

Visits to the school are strongly encouraged. Please contact the school office to find out more and arrange a convenient time. Please contact us on 01304 375040 or email: office@warden-house.kent.sch.uk to book a visit.
