# **Higher Level Teaching Assistants Professional Standards**

The professional standards for higher level teaching assistants (HLTA) set out what teaching assistants who are working at a higher level are expected to know and be able to do.

The standards were developed following a wide-ranging consultation with Headteachers, teachers, professional bodies, unions, employers and support staff. There are 33 standards, grouped under three main headings.

## Professional values and practice

Those awarded HLTA status must demonstrate, through their practice, that they:

- 1. have high expectations of children and young people with a commitment to helping them fulfil their potential
- 2. establish fair, respectful, trusting, supportive and constructive relationships with children and young people
- 3. demonstrate the positive values, attitudes and behaviour they expect from children and young people
- 4. communicate effectively and sensitively with children, young people, colleagues, parents and carers
- 5. recognise and respect the contribution that parents and carers can make to the development and well-being of children and young people
- 6. demonstrate commitment to collaborative and cooperative working with colleagues
- 7. improve their own knowledge and practice including responding to advice and feedback.

# Professional knowledge and understanding

Those awarded HLTA status must demonstrate, through their practice, that they:

- 8. understand the key factors that affect children and young people's learning and progress
- know how to contribute to effective personalised provision by taking practical account of diversity
- 10. have sufficient understanding of their area(s) of expertise to support the development, learning and progress of children and young people
- 11. have achieved a nationally recognised qualification at level 2 or above in English/literacy and mathematics/numeracy
- 12. know how to use ICT to support their professional activities

- 13. know how statutory and non-statutory frameworks for the school curriculum relate to the age and ability ranges of the learners they support
- 14. understand the objectives, content and intended outcomes for the learning activities in which they are involved
- 15. know how to support learners in accessing the curriculum in accordance with the special educational needs (SEN) code of practice and disabilities legislation
- 16. know how other frameworks, that support the development and well-being of children and young people, impact upon their practice

#### **Professional skills**

Teaching and learning activities must take place under the direction and supervision of an assigned teacher and in accordance with arrangements made by the Headteacher of the school.

## Planning and expectations

Those awarded HLTA status must demonstrate, through their practice, that they:

- 17. use their area(s) of expertise to contribute to the planning and preparation of learning activities
- 18. use their area(s) of expertise to plan their role in learning activities
- 19. devise clearly structured activities that interest and motivate learners and advance their learning
- 20. plan how they will support the inclusion of the children and young people in the learning activities
- 21. contribute to the selection and preparation of resources suitable for children and young people's interests and abilities.

# Monitoring and assessment

Those awarded HLTA status must demonstrate, through their practice, that they:

- 22. monitor learners' responses to activities and modify approaches accordingly
- 23. monitor learners' progress in order to provide focused support and feedback
- 24. support the evaluation of learners' progress using a range of assessment techniques
- 25. contribute to maintaining and analysing records of learners' progress.

# **Teaching and learning activities**

Those awarded HLTA status must demonstrate, through their practice, that they:

Happy, Hælpful, Hard-working

- 26. use effective strategies to promote positive behaviour
- 27. recognise and respond appropriately to situations that challenge equality of opportunity
- 28. use their ICT skills to advance learning
- 29. advance learning when working with individuals
- 30. advance learning when working with small groups
- 31. advance learning when working with whole classes without the presence of the assigned teacher
- 32. organise and manage learning activities in ways which keep learners safe
- 33. direct the work, where relevant, of other adults in supporting learning.
