

Job Description

Job title: Construction Multi Skills Lecturer

Responsible to: College Principal

Date: January 2024

Purpose:

To lead, teach and assess on our Construction Multi Skills programme, including Carpentry, Brickwork, Fabrication & Welding and Heating and Plumbing from foundation level and up. To provide a high-quality learning experience for our post 16 learners with complex learning needs.

Duties and responsibilities:

- To train and engage learners on a range of topics and tasks relevant to the awarding body as well as the curriculum area.
- To direct learners actively towards safe industrial working practices where appropriate
- To conduct demonstrations and supervise practical work to reinforce learning.
- To assess learners' work
- Establish and maintain safe working practices and a clean and safe working environment in accordance with health and safety legislation.
- To participate in the maintenance and promotion of close links with employers
- To produce Schemes of Work and Lesson plans and where appropriate course syllabus
- Provide individual learning plans and provide support for learners in line with the requirements of the course.
- Act as academic and pastoral tutor to learners
- To promote equal opportunities within the area

Specific duties:

- Prepare learning materials appropriate to the curriculum.
- Carry out workshop assessments.
- To motivate and support learners.
- To deliver individual as well as group tutorials
- To evaluate learners' performance and progression
- To participate in the interviewing, advice, and guidance, and enrolling of learners
- Maintain a designated working area, ensuring Health and Safety and COSHH regulations are followed in conjunction with all Health and Safety policies
- Control the workshop, tools and equipment as required to meet education and training needs.
- To carry out work placement assessments
- To manage learning programmes
- To work with learners in a flexible learning environment
- To develop professional skills through appropriate activities including attendance at relevant training events
