Dear Candidate,

Thank you for your interest in this post.

We are a Trust of nine schools, all based in South-East London. Whilst each of our schools maintains its individuality, we share a common mission: to ensure that every single child and young person in our care is successful at school so that they can flourish and be successful in their lives.

Having joined the Trust as CEO in September 2020, I am excited by the steps we have taken together and the future ambitions we have set.

We are a Trust with great potential, and three key strategies guide our success – all of these can be found on our website and within this recruitment pack. At the heart of these is our School Improvement Strategy but we know we will not be successful without great people and a secure infrastructure. Therefore, our People Strategy (which includes our EDI and well-being strategy) and our Business Sustainability are integral to our core business.

Our scale of expertise and leadership gives us the capacity to achieve great things. It is this capacity which will allow us to take on new challenges and allow our staff to become the best version of themselves.

We want the best people to join our Haberdashers' community and we are committed to a diverse and inclusive student and staff body. If you are passionate about making a difference and feel that you have the right experience and expertise, I encourage you to apply to join us on our journey.

I look forward to hearing from you.

# About Haberdashers' Academies Trust South

**We are a multi-academy trust consisting of four secondary schools and five primary schools and have been educating children and young people since 1876.**

Our moral imperative at that time was to ensure that every child in our care received the best possible education in order to make the best start in life. That moral imperative remains today, underpinned by ethos of working together and our values of being ambitious, always growing and contributing to the world as global citizens.

In a complex world, we need our children and young people to be as well equipped for their future as possible so that they can flourish. We will support them to become compelling individuals so that by the time they leave us they will have experienced a range of opportunities that not only build their mind but also build their character.

We are proud to be a diverse community and take seriously the need to ensure that every child, young person and adult connected with our schools feels included, welcomed and listened to. This is an important part of who we are and our commitment to equality and fairness. This commitment remains at the forefront of our work.

The relationship with the Haberdashers Company is central to the success of the Haberdashers' Advantage enrichment programme, and pupils, parents and staff are proud of this relationship.

Being part of the Haberdashers' community is very important to us as a school. “I came to interview and the questions were more about the holistic experiences of children and that perspective of education just really interested me.

It's great being part of the Haberdashers' community because you have all these partner schools and colleagues that you may not necessarily know on a first name basis but its really interesting to learn from each other and share best practice on Trust Inset Days. It's nice to be a part of a wider community”
