Of course, you won't be doing it alone. You'll have the full support of senior HR members and the opportunity to collaborate with other HR teams within the wider Oasis family. You'll have the chance to network, shadow, and receive training opportunities to grow and develop your HR career.

And we'll help you to define your own tailored CPD opportunities based on your interests, whether it's case work management, performance management, or change projects.

So, if you're self-motivated, diligent, and willing to learn quickly through trial and error, this could be the opportunity you've been waiting for. Apply now to join the team at Oasis Restore and make a real difference in the lives of others.
