The role and what we are looking for?

Your role as a teacher of media and/or performance will be integral to the progress of all children at Oasis Restore, to deliver aspirational educational outcomes. You will be responsible for outstanding teaching that develops curious and dedicated learners, keen to explore creative pursuits, and meets their individual needs and interests. You will have the opportunity to teach a second subject area, developing your own practice with the necessary support to deliver consistently outstanding teaching. You will launch and continuously contribute to a creative media/performance curriculum underpinned by progressive pedagogies, in line with the national curriculum and a variety of formal qualifications, setting a true gold standard for learning.

You will be an integral part of a passionate, committed, and ground-breaking multidisciplinary team, working integratively towards improving the outcomes for children so often overlooked. Together, we will devise strategies to empower children to take ownership of their own learning journeys, so

preparing them for successful transitions into the next phase of their journey. You will teach class sizes of 5 children, with the support of two additional staff to tailor learning support to each student, in specially designed education buildings with brand new equipment technology and software.

As a champion of restorative practice, you will place relational connection at the heart of everything you do. Your work will be the driving force that enables children to transition out of Oasis Restore with the support in place for them to succeed in the next step of their journeys.
