

The Inspire Academy Movement Wellbeing and Culture Charter

The Inspire Academy Movement considers every member of its community to be of value; as such together we have written this wellbeing and culture charter which makes clear the behaviours and attitudes we must all adhere to in order to have the most productive and effective workplace.

This document is based upon a set of shared values, which are interlinked and help us develop a positive working ethos in our schools. This document will support us all in achieving our I AM statements.

All those that work across our Trust, whether they are employed or volunteer, sign up to the Inspire culture of being the best we can be.

The Inspire Academy Movement's shared values that reach across our schools are:

Respect

Independence

Perseverance

Community

Aspiration

Compassion

The Trust's I AM statements
