VALLEY INVICTA
ACADEMIES TRUST

Recruitment of Ex-Offenders Policy

Introduction to This Policy

As an organisation assessing applicants' suitability for positions which are included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order using criminal record checks processed through the Disclosure and Barring Service (DBS), the Valley Invicta Academies Trust (VIAT) complies fully with the code of practice and undertakes to treat all applicants for positions fairly.

The Valley Invicta Academies Trust undertakes not to discriminate unfairly against any subject of a criminal record check based on a conviction or other information revealed.

The Valley Invicta Academies Trust can only ask an individual to provide details of convictions and cautions that the Valley Invicta Academies Trust are legally entitled to know about. Where a DBS certificate at either standard or enhanced level can legally be requested (where the position is one that is included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 as amended, and where appropriate Police Act Regulations as amended).

The Valley Invicta Academies Trust can only ask an individual about convictions and cautions that are not protected.

The Valley Invicta Academies Trust is committed to the fair treatment of its staff, potential staff, or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability, or offending background.

The Valley Invicta Academies Trust has a written policy on the recruitment of ex-offenders, which is made available to all DBS applicants at the start of the recruitment process.

The Valley Invicta Academies Trust actively promotes equality of opportunity for all with the right mix of talent, skills, and potential and welcomes applications from a wide range of candidates, including those with criminal records.

The Valley Invicta Academies Trust select all candidates for interview based on their skills, qualifications, and experience.

An application for a criminal record check is only submitted to DBS after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a criminal record check is identified as necessary, all application forms, job adverts, and recruitment briefs will contain a statement that an application for a DBS certificate will be submitted in the event of the individual being offered the position.

The Valley Invicta Academies Trust ensures that all those in the Valley Invicta Academies Trust who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences.

The Valley Invicta Academies Trust also ensures that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g., the Rehabilitation of Offenders Act 1974

At interview, or in a separate discussion, the Valley Invicta Academies Trust ensures that an open and measured discussion takes place about any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.

The Valley Invicta Academies Trust makes every subject of a criminal record check submitted to DBS aware of the existence of the code of practice and makes a copy available on request.

The Valley Invicta Academies Trust undertakes to discuss any matter revealed on a DBS certificate with the individual seeking the position before withdrawing a conditional offer of employment.
