Welcome

Welcome from Janet Garraway – Chief Operating Officer

Thank you for your interest in this role within the Central Support Services Team at Swale Academies Trust. This is an exciting time to be joining the Central Team, which is currently seeing a growth in capacity and expertise. We continue to develop new ways of working to ensure we can effectively respond to the needs of each school within the Trust and continuously improve the support we offer.

The team is pivotal in the successful running of the Trust and is focused on supporting the improvement of educational standards in every school. All of the work carried out by the Central Support Services Team is in relation to non-teaching and learning aspects of running a school, which includes IT, Finance, HR, Estates, Governance and Communications.

We want to drive improvement further and faster, developing the efficiency of our schools through shared resources and collective procurement. Effective and efficient use of resources supports teaching and learning across the schools alongside ensuring both the long term viability of individual schools and the sustainable growth and strategic direction of the Trust.

As Chief Operating Officer, I constantly ensure that the services we offer are sustainable to support our future growth and provide strategic oversight of operational services across all schools.

As a team, we offer a high quality service to all of the schools across the Trust. This innovative centralised structure allows Headteachers to focus on teaching and learning.

We encourage our staff to be flexible thinkers with an open-minded approach to change as we continue to expand our successful Multi-Academy Trust. If you are as excited about this as we are and want to join us on our journey, we would be delighted to receive your application.

Janet Garraway
Chief Operating Officer
