About Phoenix Primary School

Phoenix Primary School is nestled in central Chatham, close to rail and bus routes.

Chatham is part of the unitary authority of Medway which encapsulates the towns of Chatham, Gillingham, Strood, Rainham and historic Rochester. We are privileged to be surrounded by history and culture from the castle and cathedral at Rochester and the historic dockyard where Nelson's HMS Victory was built, to the Theatres in Chatham and the many state-of-the-art sporting facilities across the towns. We have access to a rich and diverse heritage steeped in tradition and more modern customs and celebrations.

We are an integral part of the Beyond Schools Trust with a family of ten schools. Within our Trust we have Balfour Juniors, Warran Wood Primary, Hilltop Primary, Chantry, Greenacre and Walderslade Partnership, Robert Napier, Thomas Aveling and Fort Pitt. We collaborate relentlessly to ensure we are as a Trust consistently moving and learning for the benefit of our pupils and their futures.

Phoenix Primary School is a proud Centre of Excellence, accredited enhanced VbE and Character Education setting. Our Phoenix Legacy values are the heart of our curriculum; we have twelve core school values that guide children's choices, behaviour and learning with our focus being on creating moral and ethical citizens.

Our Phoenix values and British Values underpin our curriculum and are the golden thread that run through all areas; our children develop confidence, responsibility and independence through community based outcomes, opportunities for making change within the school community and an opportunity to leave a Phoenix footprint through our Phoenix Legacy books. Our Phoenix Legacy books see the children through their school journey and are an opportunity for them to showcase their values in motion both in and out of school. For example, showing Adaptability by adapting to seasonal changes when at Forest School or Teamwork by fundraising for charities or school events. Values based assemblies are embedded into the weekly school timetable and are an opportunity for children and staff to discuss different personal developments.

These values are the explicitly taught, caught and sought through daily interactions, lessons, assemblies and learning journeys, with our additional values complimenting our moral values as they are crucial for development of well- rounded citizens.

Welcome from our Chief Executive Officer

Welcome to Beyond Schools Trust

We are an ambitious organisation of 5 schools, serving the educational needs of nearly 4,000 children and young people aged 3 to 19.

Our academies are based in a tight geographical area drawing students and employees from Kent and Medway in the Southeast of England.

We also rely on the time and commitment of over 70 volunteer Trustees and Governors, who share our ambitions for our schools and our students. These are expressed in our vision, our mission, and our values.

We have a strong belief in the value of lifelong learning. Our Trust fully prepares children, so they have the skills, knowledge, values, and character to be successful in the world beyond our doors. We also believe that our greatest asset as an organization, is our people, and we are privileged to be involved with such courageous, committed and child-centred employees. Everything we do is aimed at providing our staff with the resources and leadership to achieve their best. We believe that a supported and motivated staff create the best environment and opportunities for students to achieve their full potential.

About the Beyond Schools Trust

Our vision is simple:

To be the most respected family of schools - trusted to provide the highest quality of educational experiences in our communities.

We believe that by working together, rather than in isolation, we can accelerate school improvement and embed our vision in our academies. In working and collaborating towards our common strategic objectives, we can create more opportunities for lifelong success for our students.

The fundamental philosophy behind the Beyond Schools Trust's vision and strategic plan is all about thinking beyond the present day; looking at what is right for our students and staff both now and in the longer term.

Put simply we strive to:

- Develop and retain the best employees that know how to provide the best educational experience
- Support, motivate and reward our employees to go above and beyond for our students
- Be responsive to our students' and employees' needs so they are prepared for a rapidly changing world.

Our Values

Everyone in our Trust has a part to play in bringing the ethos and culture of our values alive. We are committed to ensuring everyone knows why we should value each other and how we should value each other, so we can create a community where we all aspire to succeed. Our values are not the static states of play but things we are always striving to develop and uphold as part of our culture.

Our Mission

To provide opportunities for everybody to be the best they can be.

We want every one of our students, teachers, or Governors to be the best that can be.

We will work tirelessly to support them to reach their potential.
