Welcome to

Temple Mill Primary School

We are a proudly inclusive school, and our aim is to equip children with the skills, knowledge and understanding to enable them to make informed decisions about the important things in their lives.

We are a single form entry school with eight classes, from Nursery to Year 6. As a small school, we soon get to know each other and we are pleased to enjoy positive partnerships with our parents and families.

At Temple Mill, we aim to provide the children with a curriculum which is broad, well balanced and above all stimulates the children to learn. To serve our pupils, our curriculum is designed to give our children a foundation of an appreciation of the local environment and their own life experience, then build from here to enable them to explore how this relates to the wider world and the possibilities that they will find there.

Our curriculum is designed to enable pupils to develop the social skills to self-regulate and function as independent members of society who are able to make decisions for themselves, resolve minor conflicts between themselves and their peers, and have the emotional literacy to understand a situation from another's perspective. A focus on developing oracy underpins our curriculum and seeks to build children's confidence and self-worth; this is seen as the foundation for their successful future. The well-being of our school community is promoted through the themes of kindness, respect and working together, which is enhanced by the active inclusion of personal development activities such as mindfulness, debate and participation in events such as class assemblies. Children are challenged in their learning, whatever their starting point, and are supported to become the best they can be.
