

How to apply guide – Class teacher role

It is important that you read the following guidelines before applying.

The following questions should be answered as part of your written application.

Question 1

How does your knowledge and experience contribute to learning for the Head, Heart and Hand?

Question 2

In your experience, explain how you have contributed to an inclusive culture in your current or previous school.

Question 3

Describe how a piece of reading/research has impacted on your practice.

Question 4

Describe an experience where collaboration has impacted strongly on an outcome.

Question 5

Add anything additional that is relevant to the job description or person specification. Remember to indicate your preference of key stage and subject specialism, if relevant.
