## Welcome from Executive Headteacher

Simon Murphy

Thank you for your interest in this role at Saint George's Church of England School. I hope the information within gives you an insight into our all-through school and the unique opportunity this position offers.

As a founding member of the Aletheia Academies Trust, our vision is rooted in a determination to improve the life chances of local children. The Trust provides outstanding opportunities for our primary and secondary based staff to connect with others, share good practice, improve their teaching, and develop their own career pathway.

Saint George's is thriving. All stakeholders including governors, parents, staff and pupils work exceptionally hard to create a warm, welcoming and inclusive atmosphere in a school which boasts a fantastic sense of community, continuously improves outcomes for children and families, and holds tightly to its Christian vision and values.

As an all-through school, that sense of community is all the more palpable and I feel very privileged, alongside my colleagues, to see pupils learn and develop from reception classes through to our excellent 6th Form provision.

We look forward to receiving your application and welcoming you to Saint George's.

## Welcome from Head of Primary Phase

Helen Taylor

Our children are at the heart of everything we do here at Saint George's. Through the delivery of our curriculum, we aspire for all of our children to be challenged, and develop into independent, successful, safe, and happy learners, ready to tackle the next stage of their education with hope and confidence. At Saint George's we have a unique opportunity to teach and develop children from the age of four to eighteen in a safe and caring environment that puts the individual first. We have high aspirations and expectations for all staff and pupils and strive for high quality teaching and provision for all.

As an all-through school, we also have access to the huge range of expertise and facilities on offer at the secondary phase, such as specialist subject colleagues teaching in the primary phase, playing fields, a library, science laboratories, a multi-use games pitch and music resources. Outdoor Learning is hugely important for our school and Forest School forms a large part of our Curriculum. We believe children learn best when they are active and motivated in and by everything the outdoor environment has to offer.

From the moment children join Saint George's Primary Phase they become part of our dedicated and successful community where we value each individual and nurture their special talents.

I look forward to receiving your application.

# Saint George's Church of England All Through School

We consider our school to be highly inclusive, welcoming students of all backgrounds and beliefs, unified by our commitment to their well-being and sense of achievement.

Saint George's has developed a reputation as a high achieving school providing excellent outcomes for all students academically and in terms of their personal growth. We have exceptionally high expectations of how our students behave, speak, and present themselves. This is underpinned by our Christian values, our worship and school ethos. Everyone who wishes to learn is welcome.

Our motto **'All Different, All Equal, All Flourishing'** emphasises our Christian belief that the God-given talents of all students should be encouraged and developed, recognising, and valuing their unique worth.

We have had a long-held belief in the potential of an all-through school to further enhance the educational provision on our site. We are delighted that this vision has now become a reality for Saint George's. A shared philosophy ensures that there is greater consistency around expectations, ethos and pedagogy which eliminates any unsettling transition between the primary and secondary phases. We facilitate teachers working together in the primary and secondary phases which raises aspirations still further and ensures that children are not able to fall through the gaps. Our primary pupils benefit from having specialist subject staff available and economies of scale allow greater spending on teaching and learning and the sharing of specialist and enhanced facilities for all pupils.

At Saint George's, we strive for all students to have learnt new skills, to have developed their talents and with this, a love of learning; making them confident, articulate, sensitive and caring citizens for the future.
